

*9th Annual Bull Sale
On-Property ~ "Sunnyview", Proston
Monday 2nd September, 2019 @ 12 noon*

We would like to take this opportunity to extend a warm welcome to you and invite you to join us for our 9th Annual Bull Sale here at Cooina.

We realise that everybody is increasingly time-poor these days, and current dry conditions make it difficult to attend all the sales you'd like to in person, so we have engaged the services of Elite Livestock Auctions to assist you with your bull buying needs this year. As always, you are very welcome to inspect the bulls anytime in the lead up to Sale day.

DNA Guarantee

ALL sale bulls have had their sires independently verified by way of DNA testing at Neogen Australasia.

Poll Testing/Homozygous Poll (PP)

Poll testing is a simple DNA test that is used to determine the probability of an animal producing polled or horned progeny.

A number of bulls in this catalogue have been poll tested and some may be identified as Homozygous Poll (PP). These bulls would be considered very likely to produce all polled progeny.

This year's test results had not been received prior to the catalogue going to print, however they will be available prior to the sale.

DNA samples packaged up & ready to send away for testing.

Sires of Sale Bulls

Cooinda John Wayne (P)

John Wayne (P) was retained from the first crop of Dangarfield Twister (PS) calves. His dam, E315 (P) probably should have been a show cow. With all the attributes of a modern day Santa bull, his unflappable temperament, fine coat, tidy sheath, extra length and capacity of beef saw him stand out from his peers at an early age. He is the most active server we have seen in our herd since his Grandsire Cooinda Amorous (who was caught serving cows that weren't cycling on more than one occasion).

John Wayne's progeny, both male and female, have not disappointed and consistently stand out within their peer groups.

Represented by Lots: 1, 7, 10, 12, 14, 16 & 35

*Start where you are.
Use what you have.
Do what you can.*

Jawdropper (P) was purchased as the top price bull at the 2015 Benelkay Sale. He had a dark tropical coat type, an exceptionally quiet nature and a real sirey presence.

Represented by Lots: 38 & 48

Cardona Lister (PS)

Lister (PS) has proven to be a very consistent and reliable performer in our herd. He has consistently produced easy doing, meaty cattle that carry his growth and fine coat. Lister's progeny include Lucky Phil (PP), who was equal top price at the 2016 sale, selling to the Gyranda Stud.

Represented by Lots: 15, 27, 28, 45 & 46

Jaegerbomb (PS) was purchased for the 2nd top price at the 2014 Rosevale Sale. He was a high growth bull with good bone and plenty of looseness.

Santalands Larry (PS)

Larry (PS) was purchased for the equal top price at the 2014 Big S Sale. He was a strong headed poll bull, with a lot of capacity and fine dark coat.

Ivan was a powerful dark sire, with good bone and width of frame.

Represented by Lots: 24, 26 & 49

Cardona Odyssey

Purchased in 2015, Odyssey was a genuine old school Santa, with a fine dark coat, good bone and depth of beef. His sons have grown out as well as we expected, and interestingly, he threw a high percentage of male calves.

Represented by Lots: 6, 11, 13 & 37

Gyranda Lenin

Purchased as the top price bull at the 2016 Gyranda Sale, Lenin stood out from his peers with his slick coat, weight for age and doing ability.

Represented by Lots: 22, 29, 32, 42, 44 & 47

"If you ever feel like you have control over your life.....just start farming."

Sires of the Future

Cooinda Not My Sandwich

This bull stood out early on, displaying extreme weight for age in his group, length of body and a slick coat. Out of an easy doing Cooinda Eastwood cow, Not My Sandwich is one of only two bulls sired by Shannonbrook Hoosier 3 (P) before his untimely death during his first season.

Moongana Kansas (PS)

Kansas was the top price unled bull at the 2017 Moongana Sale, purchased for \$21 000. We were attracted by his volume of beef, fine slick coat type and sirey outlook.

Sires of the Future

Cooinda Nine Coronas (PP)

Catalogued as the star lot in our 2018 Sale, this exciting sire prospect had to be withdrawn after injuring his stifle. An extended period of convalescence failed to bring about his physical recovery, however we were able to collect some high quality semen from him. Nine Coronas (PP) is an easy doing, dark, homozygous poll bull with a tidy sheath. He is one of only two bulls ever sired by Shannonbrook Hoosier 3 (P).

Cooinda Maui (PS)

A very correct son of Dangarfield Twister (PS), Maui's dam is very similar in type to John Wayne's dam. He features a fine coat type and a strong masculine head.

Cooinda Moto Moto (P)

The name so nice you say it twice! Moto Moto is a heavy boned, growthy son of Cooinda Evengy (PS), out of a big roomy cow by Greenup Camel (P). We envisage him breeding us a strong line of females.

Cooinda Not For Sale (P)

Aptly named, this bull was never going to be for sale. His dam, Cooinda B41, is arguably the best cow ever bred at Cooinda, and his sire, Cooinda John Wayne (P), is one of the most consistent sires we've ever used. Not For Sale (P) is a large framed, dark, polled bull - definitely one to watch for in the coming years.

*"Don't take criticism from people you
wouldn't ever go to for advice."*

Sires of the Future

Broadleaf Merlot (P)

Purchased as the top price bull at the 2017 Broadleaf Sale, Merlot was the stand-out bull on the day. A very mobile bull with great length and scale, and a fine tropical coat.

Narromine T248 (PS)

T248 was the top price bull at the 2017 Narromine Sale, purchased for \$16 000. He is a large-framed bull with a clean coat type.

The greatest lesson I have learned in life is that I still have a lot to learn.

QUEENSLAND LIVESTOCK AGENTS ASSN LTD

STANDARD STUD STOCK - AUCTION TERMS AND CONDITIONS OF SALE

IMPORTANT NOTICE

All bids shall be treated as offers made upon the following Terms and Conditions of Sale and all persons present are admitted to attend the sale on the basis that they have notice of these Terms and Conditions.

1. The highest bidder shall, subject to Condition 2, be the purchaser provided that the vendor reserves the right to bid either by himself or through his agent or auctioneer and should any dispute arise among the bidders for any lot, during or immediately after sale of the lot, it shall be settled at the auctioneers absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bid by the vendor who will immediately after the fall of the hammer declare "Sale" or "No Sale". Should the vendor reject the bid of the highest bidder such bidder will have the right of first refusal of the lot at the vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the purchaser, the purchase price and the lot sold as recorded by the sale clerk for and on behalf of the auctioneer shall be equally binding on both purchaser and vendor.
4. The auctioneer expressly reserves the right, without giving any reason therefor, to:-
 - (a) Refuse to acknowledge any bid;
 - (b) Withdraw any lot or lots before or during the sale;
 - (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at the risk and expense of the purchaser, upon acceptance of his bid by the vendor or upon acceptance of the highest bidder's offer by the vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these Conditions as to pedigree, sex, age, breeding condition or otherwise howsoever, and no guarantee, warranty or

condition whatsoever shall be implied from any affirmation made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee warranty or condition whatsoever was given or implied.

7. In the event of any dispute in respect to the sale of any lot:-
 - (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these terms and conditions.
 - (ii) The vendor and the purchaser shall resolve the dispute between themselves;
 - (iii) The auctioneer shall have no liability or responsibility in regard to the dispute; and
 - (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.
8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9. (a) PAYMENT – Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidder's offer by the vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and all cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated, and until property shall pass, the purchaser shall hold such lot as bailee, provided that in all cases should such

- payment not have been made and liquidated within 14 days of the date of the sale the auctioneer reserves the right to:-
- (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
 - (ii) Recover from the purchaser interest upon the purchase price at a rate per annum which aggregates the 90 day Bill Rate plus two per centum. For the purposes of this condition "the 90 day Bill Rate" is the rate published regularly in the Australian Financial Review, expressed as a percentage per annum. If at any time the Financial Review ceases to publish a 90 day Bill Rate, the auctioneer shall determine and advise the purchaser of the interest rate to apply for the purpose of this condition.
- (b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.
10. If the purchaser shall neglect or fail to comply with any of the within conditions, any lot purchased by him may be immediately resold by public auction or private contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.
 11. Any vendor or purchaser removing the sale number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damage should the lot be wrongly delivered.
 12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions, and shall jointly and severally carry out and perform same.
 13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the vendor or the auctioneer, provided however, that this Condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
 14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.
 15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.
 16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trade Practices Act or any applicable State legislation which cannot be contractually excluded and excepting conditions and warranties expressly contained in these Terms and Conditions of Sale, any express or implied condition, statement or warranty, statutory or otherwise, is hereby excluded. The auctioneer is not liable in respect of any error, misdescription or omission in any particulars appearing or stated regarding the descriptions or pedigrees of any lot offered for sale and no such error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.
(b) Each lot will be sold subject to passing all veterinary tests required by the law of the State or country to which the purchaser intends to transport that particular lot, such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to or remain with the vendor.
 17. **GUARANTEES OF FERTILITY:-**

A positive pregnancy test certified by a qualified veterinary surgeon shall be sufficient evidence that the animal is in calf.
 - 17.3 Claims under Clauses 17.1 and 17.2 guarantees of fertility shall be made to the vendor within six months from the date of sale or prior to the animal entering a quarantine area other than on the vendor's property.

In the event of the animal not being proven fertile within the period the costs incurred shall be borne by the vendor.
- 17.4 LIABILITY OF A VENDOR. Except for costs defined elsewhere in the conditions of sale, the liability of a vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal(s) or to provide mutually agreed upon replacement animals.
- 17.5 REFUNDS. In the event of a claim being substantiated and the purchase price being refunded, the animal/s shall automatically become the property of the vendor and be returned to him or disposed of according to his instructions at his expense.

- 17.7 In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser and the auctioneer, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other monies or interest payable by the purchaser in accordance with these Terms and Conditions.
- 18

The auctioneer reserves the right, at its

absolute discretion, to exclude from the sale, or put out of the sale venue or dispose of, any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.

Notes for Cooinda B39 - Dam of Lot 12

At some point during the endless hours that go into putting this catalogue together it became very obvious that no amount of genius tweaking was going to create enough room to tell the incredible story of Cooinda B39, and her equally incredible Dam, Cooinda W87. So, for the first time ever, an extra page has been allocated to the Dam and Grand-Dam of a Cooinda Sale bull.

B39 is one of the last cows by Dangarfield Leonardo who sired so many of our sale bull dams over the years. A big framed dark cow, she doesn't fit the classic mould for longevity, but has now produced 11 calves in 11 years & is still active in the herd. Progeny include Economy who was used for a season before selling to the Johnson Family, Forklift who sold to Camm Ag Group, and the dam of Lot 10 in this sale. She has just weaned a bull calf.
