SALE INFORMATION

HELMSMAN AUCTION SYSTEM

The sixth Bullamakinka Annual Bull Sale will be conducted under the helmsman system in conjunction with Auctions Plus. The sale will commence on Auctions Plus on Wed, 13th November and concludes at Bullamakinka on sale day on 15th November at approx. 1.30pm.

ANIMAL HEALTH

Bulls are vaccinated for: ✓ 3 Day Sickness ✓ 7 in 1 ✓ 3 Germ Blood ✓ Vibrio ✓ Semen tested

INSPECTION

Bulls will be penned for inspection in the afternoon before the sale. Please contact us or our agents if you wish to arrange an earlier inspection of the bulls or heifers.

SCANNING

All sale lots were scanned by Paul Kenny. He independently measures IMF, Scrotal Size, Eye Muscle Area, Rib and Rump Fat.

SUPPLEMENTARY INFORMATION

Bull weights, ADWG, Scans and Semen Results will be available from Wednesday, the 13th November and will be posted on our website, www.bullamakinka.com.au

SEMEN TESTING

Sale Bulls will be semen tested by Paul Kenny and certificates are available on request.

OUTSIDE AGENT REBATE

A 3% rebate will apply to outside agents introducing clients in writing to vendors, Simstock Rural Agencies or Elders Meandarra at least the day prior to the sale, and settling on their behalf within 10 days of sale. Agents must accompany the client to view bulls prior to or on sale day to claim the rebate in full. A half rebate is available to agents introducing clients in writing at least the day prior to the sale without the agent attending the sale.

FREE FREIGHT

Free freight to local areas provided and also to most other areas considered on request so please contact vendors or our agents to discuss free delivery options.

BREEDING GUARANTEE

The vendors guarantee that bulls purchased on sale day are fertile and guaranteed to get you calves. All our bulls have been assessed and have received a positive semen test and are fully guaranteed. The vendors guarantee, in the unlikely event of infertility, that the buyer contact the vendor within six months of the sale date to arrange a replacement bull/refund or bull credit on your purchase price (without associated costs or damages). Any claim needs to be lodged with a relevant veterinary certificate.

SALE REFRESHMENTS

Complimentary light refreshments will be available at Bullamakinka on sale day.

If buyers require the use of an airstrip our neighbours at Wilga Park have a 1000m well maintained gravel strip available. Please contact the vendors if you wish to use the strip.

DISCLAIMER

The vendor has produced this catalogue with every effort to ensure the accuracy of the information, however will not be responsible for any errors or omissions.

RISK & RESPONSIBILITY Any person attending this sale does so at their own risk and the vendors or their agents assume no liability, legal or otherwise, for any injury, accident, loss or damage to any person or property. Refer Sale Safety Section.

SALE SAFETY

All our bulls are selected on good temperament and are quiet to handle under normal conditions. On sale day, many people enter bull pens for inspections and can place additional pressure on the bulls.

This could result in the quietest bull doing something unpredictable and we advise people enter the bull pens at their own risk and only when necessary. No children are to enter the bull pens. We ask that you do not enter inside the pens unnecessarily and if you require an inspection of the bulls please ask a stud representative or the selling agents.

THE HELMSMAN SYSTEM

- Register with AuctionsPlus at least a day before the sale. Head to www.auctionsplus.com.au and click signup. Alternatively, our sale representatives can register you on the day of the sale at Bullamakinka.

- Bring a tablet or phone on sale day to bid, there will be some provided for people who don't have access to them.
- The AuctionsPlus team will be at the sale to help with anything and to register people that may not be registered.
- Call the office on 02 9262 4222 before the sale if you have any questions about using the bidding platform.

Bidders not wanting to use Tablets/phones to bid will still have the ability to have our sale agents/Auctions Plus Representatives to register bids on their behalf if required.

BULLAMAKINKA

INTRODUCTION

The Hindle family extend a warm welcome to all attending our sixth annual bull and female sale at Bullamakinka, Westmar where we will be offering approximately 22 of our best two-year old bulls selected. Additionally, for the first time we will be offering 28 stud females to be sold simultaneously with the select sires. The females to be offered will be a draft of quality younger classified females that reflect our different stud genetics and will be penned at the sale complex on the same day.

We have again adopted the helmsman system as we believe it offers the buyer greater buying choice with the bulls and heifers being offered simultaneously under the Auctions Plus platform. The sale will also offer buyers the opportunity to bid on bulls and females on-line if they are unable to attend the sale. Should prospective bidders require, inspections can be arranged prior to sale.

With the major investment in new sires over the last few years we are very pleased with the standard of our select sale bulls this year with nearly all our sale bulls being classified and the large majority polled or scurred.

Due to drought conditions prevailing over the last year the bulls have had a slightly different preparation to previous years with the two-year old sale bulls being sent to a feedlot

early this year and fed silage for seven weeks. Since returning to Bullamakinka in March the draft have been prepared on pasture, hay and a protein supplement before going on to barley/oats late in June and are well grown and presented ready to work.

This year, our sale bulls are sired by our leading home-bred sires G230(PS) (s: Warena Sentry), K476(P) and K84(P) both impressive sons of Canowindra Gold Edition which are breeding well for us.

With our commitment to invest heavily in new sires has resulted in a number of our sale bulls represented by our purchased sires including new sires, Waco Flynn purchased for \$55000, Dunlop Quentin (\$16000), Rosehill Jameson(PS) \$45000 and other purchased sires.

In selecting our sale draft this year we have particularly concentrated on selecting the highest weight for age performers out of the total draft.

The Bullamakinka stud was originally commenced in 2006 with the grading up of females and the purchase of select stud females from Erin Vale, Kelly Wallah, Moongana, Santa Park, Douglas, Yarrowonga Waco, Rosevale, Marston, Kolodong, Wave Hill, Warena, Deepbank, Cardona and recently Killarney stud cows. This season, we will join approximately 600 stud cows & heifers with our leading sires

and implementing an AI program to introduce new genetics.

Despite having a reasonable size stud breeder base, we intend to retain and offer a limited number of our bulls at our sale each year which allows us to be harder on bull selection to concentrate on producing high quality sale bulls.

We are committed to producing easy doing fertile, soft cattle with good muscle and thickness, frame, bone, type with slick tropical coats. This year, our website www.bullamakinka.com.au will be updated with videos and photos later in October with the catalogue available online or a hard copy on request. If you are interested in inspecting our bulls or heifers prior to sale you are most welcome.

Please contact Craig Hindle on 0427 036 052 or email chindle@westnet.com.au.

Please note that these sale bulls are vaccinated with 3-day/7in1/ vibrio and vaccination booster shots due in April next year. They have also received their 3-germ blood vaccination to enable movement to tick areas.

We wish you well with your purchases and remind you that our bulls are fully guaranteed.

SIRES

BULLAMAKINKA G230(P)

Bullamakinka G230(P) – One of the best Sentry sons we have bred and is one of our senior sires. His progeny have been of good quality with a number of sale bulls produced to-date.

This year's crop is the sixth season of sons produced with a number of bulls selling well over the last five years.

TYNDALE HUSTLER 562 (P)

Tyndale Hustler (P) – Purchased for the top price at the Heartland sale in 2013, Hustler is used mainly over heifers.

DANGARFIELD X-BOX(P)

Purchased for a Dangarfield record price of \$62500, X-box was purchased for his extra thickness, pedigree and structural correctness. Last year's bulls sold well with a top price of \$33000 for N74(PS) selling to the Yarrowonga stud.

ROSEHILL JAMESON (PS)

A big tropical bull purchased for \$45000 for his type, bone and Yarrowonga Versatile pedigree and is represented by sale lots that are similar in type to their sire.

WACO FLYNN

Purchased in 2016 for \$55000 we have been very impressed with his progeny, being very growthy and of good type and structure. We have also retained one of his sons in Bullamakinka Patriot P2(P) who was weaned at 548kgs and after using him as a mop-up bull late this season, weighed 996kgs at 22 months. Flynn has three sons represented in the sale.

DUNLOP QUENTIN (PS)

Quentin was a very young show bull when purchased in 2016 for \$16000. He is breeding correct thick-set cattle that are very quiet like the sire and is well represented in this year's sale. We have retained an impressive son in Bullamakinka P186(PS) who has the thickness of his sire and tropical type of his Gold Edition dam.

SIRES CONT...

BULLAMAKINKA K84(P) AND K476(P)

Both bulls are Gold Edition/Sentry and were retained as sires in the same year that Bullamakinka Kong (P), another GE/Sentry bloodline was sold to the Dunlop stud for \$30000. Both K476(P) and K84(P) are typical of the Gold Edition/Warenda Sentry

bloodlines with a number of sale bulls offered collectively. They have grown into big tropical bulls and breeding very well and we plan to use both sires more extensively in the future.

FUTURE SIRES

Bullamakinka has continued to invest heavily in genetics with progeny being available from next year for sires purchased/retained over the last

two years. In 2017 we purchased Canowindra Pistol (PS) \$20000 and Yarrowonga M462(PS).

FUTURE SIRES

We have also retained an impressive Yarrowonga Diplomat son in Bullamakinka Rimfire M022(P) and he represents some of our best genetics and we are very happy with the weaners by all of these new sires and look forward to presenting their progeny in next year's sale.

Last year we invested heavily in new genetics with the purchase of Waco Napoleon (P) for \$82500, Glenn Oaks Nashville \$24000, Dunlop Return \$20000 and Waco N124 \$13000

COMMENTS: By the \$52500 Bullamakinka M78(P) sold in 2017 to the Yarrabee stud. P118 is similar in type to his sire and out of a good Warendra Sentry cow that is rising 7yo and had four calves and due to calve again with three classifying to date.
