SANTA GERTRUDIS BULLS

Welcome

Welcome to Canowindra Santa Gertrudis 2021 bull sale. Last year we saw another amazing result for our on-property sale. So, we thank all those that supported us.

With the cattle industry blooming, cattle prices at an all time high and stud sale producing record breaking results, we are excited to be having our 3rd on property sale this year.

Canowindra bulls were back in the show ring this year, attending Beef Week 2021, Springsure Show and Emerald Show. Highlights for us were receiving Supreme champion bull of Emerald show with Canowindra Toronto (P) and Reserve senior champion bull with Canowindra Tennessee (PP) against a strong line up of stud cattle at Springsure.

We have been selling bulls through the sale ring for 47 continuous years. We believe our bulls thrive in all environments and are good examples of industry focused bulls that will reliably go on to produce practical, profitable cattle for our clients.

Once again, we have a strong line-up of bulls that will be presented for sale this year. Our bulls are prepared on a high roughage ration, to make sure they will perform in the paddock. Every effort is made to ensure our bulls are very well handle and educated.

This year we will again include Auctions Plus selling platform in our sale, for those who may not be able to attend on sale day and morphology results will be available for every bull and our bulls are Horn/Poll tested.

We wish to extend a warm welcome and we look forward to seeing you at our bull sale Wednesday 29th September 2021.

Canowindra Sire References

CANOWINDRA REALITY (POLL)

Reality was sold for \$20,000 to the Baker Family, Tally-Ho Santa Stud, in 2018 at our annual bull sale. We then showed Reality on behalf of the Baker Family and used him lightly. Reality had a great show career, doing well on the central highlands show circuit and winning Senior champion at Brisbane Ekka 2019. We admired Reality for his length and depth of body, he had a good lose skin type and strong poll head. **Reality has 3 sons in this year's sale.**

DIAMOND H REAL FORCE (POLL)

Real Force was purchased from the Diamond H stud sale for \$20,000 at the age of 16 months. We loved his carcass quality and easy finishing ability, clean poll head, character, and sire presence at a young age. He has proven to pass these qualities onto his progeny. To date we have sold 30 of his sons to average \$8,066, tops of \$22,000 to Gillespie Grazing Co and \$20,000 to Tally Ho Santa's.

Real Force has 8 sons in this year's sale.

CANOWINDRA JAG (POLL SCUR)

(AI Sire) Jag was the 2012 World Congress champion bull and was sold that same year for \$56,000 to Cree Santa Gertrudis Stud. We obtained 250 straws of semen in him, and he is well used in all our AI programs. Jag was a big volume sire, with depth of body and thickness from his topline through to his hindquarter. He had an excellent nature and loads of character, which makes him a whole package stud sire. **Jag has 2 sons in this year's sale.**

Canowindra Sire References

YARRAAWONGA DROVER (POLL)

(AI Sire) Drover was used in our AI programs and was put in selected females. We admired him as a young bull. He has a great muscle pattern throughout yet has a softness about him and stands square and correct. These traits are seen in his progeny, and we are excited about his daughters. His 2 sons in last year's sale sold for \$20,000 to Diamond H Stud and \$14,000 to the Fairweather Family.

Drover has 4 in this year's sale

YARRAWONGA EUREKA (POLL)

Eureka was purchased in 2016 for \$32,000 from the Yarrawonga Waco stud sale. Eureka was a class winner at Ekka 2015 and Wandoan feature show 2016. We admired his powerfulness and sire outlook; he also has tremendous muscle pattern and an extremely tidy underline that we were after in our herd. Eureka had 6 sons sell at last years sale, topping at \$24,000 to Strathmore Stud and averaging \$14,333.

Eureka has 6 sons in this year's sale.

YARRAWONGA J1220 (POLL SCUR)

J1220 was purchased for \$9,000. J1220 was selected for his good length of body, muscle pattern and very clean, tidy underline. J1220 is a very active sire out in the paddock and has produced a consistent line of progeny. To date we have sold 11 of his sons to average \$9,636 with a top of \$19,000 to Bendalla Santa's.

J1220 has 8 sons in this year's sale.

YARRAWONGA GUN

Gun was purchased in 2017 at the Clermont Santa sale for \$13,000 from the Yarrawonga stud. Gun was a class winner at Ekka 2017 and caught our eye as he paraded himself well and showed that sire presents. He is a soft meaty bull with good depth of body and stands on good bone. We are excited by his progeny so far. We sold 4 of his sons in last years sale to average \$13,750 with a top of \$22,000 to Diamond H Stud.

Gun has 5 sons in this year's sale.
