Welcome from all at Hardigreen Park to those who have joined us here and online for our 4TH Annual Bull Sale. The Stud was registered in February 1972 with a small number of cattle. From that humble base it has over some 49 years, steadily developed a quality herd of Santas, the progeny of which, year after year, have performed strongly in many herds across Australia.

After a few tough years the last twelve months have seen improved seasonal conditions over a large part of Australia and very strong livestock markets. This has enabled producers to start rebuilding their herds.

This year we are offering an even line of bulls, paddock prepared, fit and ready to work in your herd.

Moreton Rolfe.
