*In an increasingly time-poor world, we are very conscious that it's difficult for people to physically get to all of the sales they might want to. That's why we have once again engaged the services of Elite Livestock Auctions to assist you with your bull buying needs this year. We will also have photos & videos of the bulls available on YouTube, our Facebook page, and our website. As always, you are very welcome to inspect the bulls in the lead-up to Sale day and we are more than happy to answer any questions you have or to assist with your selections.*

## *Sires of Sale Bulls*

### **Cooinda Maui (PS)**

We've always rated Maui but the DNA results for his calves continues to elevate his status within the Stud. His calves display incredible consistency for extra length & bone, extreme docility and loose skin. Maui's Dam is a grand old Matron in the Cooinda herd, has had 11 calves in 11 years and is still active.

**Represented by Lots: 4 & 51**

### **Cooinda Night In Bangkok (PS)**

From one of our biggest volume cows, Night in Bangkok was catalogued as Lot 1 for our 2019 sale. Unfortunately, following a successful show career his semen wasn't at a level where we were prepared to sell. He was obviously successful in siring a number of calves, but was injured & killed by other bulls in that joining period.

**Represented by Lots: 1, 2, 3, 7, 8, 36 & 46**

## *Sires of Sale Bulls*

### **Cooinda Not My Sandwich (P)**

This bull stood out early on, displaying extreme weight for age in his group, length of body and a slick coat. Out of an easy doing Cooinda Eastwood cow, Not My Sandwich (P) is one of only two bulls sired by Shannonbrook Hoosier 3 (P) before his untimely death during his first season.

**Represented by Lots: 6, 17, 33, 38 & 39**

### **Narromine T248 (PS)**

T248 was the top price bull at the 2017 Narromine Sale, purchased for \$16 000. He is a large-framed bull with a clean coat type.

**Represented by Lots: 24 & 48**

## *Sires of Sale Bulls*

### **Cooinda Longtime (P)**

Longtime is a very quiet, dark, polled bull, with a perfect sheath and broad frame. He carries extra softness which he is passing on to his progeny.

**Represented by Lots: 18 & 21**

### **Dangarfield Yardstick**

Purchased in 2016, Yardstick is a dark, slick coated beef bull. We have retained an outstanding son in Cooinda Pool Boy. His sons have presented well and have been sought after by astute cattlemen.

**Represented by Lots: 25, 28, 32 & 45**

## *Sires of Sale Bulls*

### **Moongana Kansas (P)**

Kansas was the top price unled bull at the 2017 Moongana Sale, purchased for \$21 000. We were attracted by his volume of beef, fine slick coat type and sirey outlook.

**Represented by Lot: 23**

### **Cooinda Not For Sale (P)**

Aptly named, this bull was never going to be for sale.

His Dam, Cooinda B41, is arguably the best cow ever bred at Cooinda, and his Sire, Cooinda John Wayne (P), is one of the most consistent sires that we've used.

Not For Sale (P) is a large framed, dark, polled bull.

**Represented by Lots: 9, 34, 41 & 50**

### **Strathmore Paddington P162 (P)**

Purchased at the 2019 Strathmore Sale, this bull immediately caught our eye. A dark, polled bull with hooded eyes, plenty of loose skin and a faultless temperament.

**Represented by Lots: 37, 40 & 52**

*Be a good listener. Your ears will never  
get you into trouble.*

## *Sires of Sale Bulls*

### **Cooinda Pool Boy**

Pool Boy stood out as 'next level' from an early age - he's very much the bull we couldn't 'not' retain. He is a heavy boned bull with extra length and the deep dark red colour that all Santa bulls should be.

**Represented by Lots: 10, 26, 27, 43 & 47**

### **Yarrowonga Plonk P868**

Purchased at the 2019 Yarrowonga Waco Sale, Plonk is a grunty, powerful bull with an excellent temperament and fine coat type.

**Represented by Lot: 42**

*Life can only be understood backwards; but it must be lived forwards.*

## *Sires of Sale Bulls*

### **Forest Park Lodger 1190 (P)**

Purchased at the 2019 Barcoo Santa Breeders Sale, we were attracted to his slick dark coat and strong muscle pattern. Lodger quickly proved to be a very active and efficient server.

**Represented by Lots: 29, 30, 44 & 49**

### **Cooinda Postie (P)**

A dark slick-coated bull who was retained for those attributes and his desirable muscle pattern.

**Represented by Lot: 31**

### **Cooinda King Julian (PP)**

King Julian (PP) is a homozygous poll bull with plenty of bone & scale. Progeny include Pastoralist (PS) who sold to Tyndale Stud for \$10 000 in 2019.

**Represented by Lots: 11, 12, 13, 14, 15, 16, 19, 20 & 22**

### **Strathmore Panache P196 (PS)**

Purchased at the 2019 Strathmore Sale, Panache is an extremely long, square-framed bull standing on good bone.

**Represented by Lots: 5 & 35**

When I was a kid, bedtime was 9pm.  
I couldn't wait to be a grownup so I could go to bed whenever I wanted.

Turns out that's 9pm.....

## *Sires of the Future*

### **Glenelg Rambo (PS)**

Rambo was purchased privately in 2021. We were immediately attracted by his incredible volume and his combination of loose skin, deep flank and tidy underline is hard to find. Rambo is a real gentleman with an impeccable temperament.

### **Eidsvold Station Raj (PS)**

Purchased for the top price of \$85 000 at the 2021 Eidsvold Station Sale, Raj was the complete package we were looking for. A long bodied, slick tropical coated bull with a perfect combination of muscle and softness, he fills his pants out all the way down to his hocks.

## *Sires of the Future*

### **Cooinda Nine Coronas (PP)**

Catalogued as the star lot in our 2018 Sale, this exciting sire prospect had to be withdrawn after injuring his stifle. An extended period of convalescence failed to bring about his physical recovery, however we were able to collect some high quality semen from him. Nine Coronas (PP) is an easy doing, dark, homozygous poll bull with a tidy sheath. He is one of only two bulls ever sired by Shannonbrook Hoosier 3 (P).

### **Waco Quimby Q338 (PP)**

Purchased at the 2020 Yarrowonga Waco Sale for \$28 000, Quimby ticked a lot of boxes for us. He is a docile natured, clean coated & loose skinned bull in an easy doing, deep flanked Homozygous Poll package.

## *Sires of the Future*

### **Rockingham Quiz**

Purchased for \$30 000, Quiz has a slick dark coat, with extra length and scale.

### **Rockingham Quarantine (PS)**

Quarantine appealed to us with his slick dark coat, loose skin and plenty of body.

*Be a good person, but don't waste your time trying to prove it.*

## *Sires of the Future*

### **Spring Creek Papalii P636**

Papalii is a powerful meat machine. He is all beef with a clean coat, loose skin, sire outlook and a great temperament.

### **Spring Creek Payne Haas P608**

Payne Haas is a long bodied, clean coated bull with plenty of scale. He possesses a completely unflappable nature.

*Once you hit a certain age you become permanently unimpressed by a lot of stuff.*

## *Sires of the Future*

### **Gyranda Quokka (PP)**

Quokka (PP) was purchased for \$22 500 and was the top priced bull at the 2020 Gyranda Sale. A docile nature, great topline and muscle pattern combined with a great set of testicles and being a Homozygous Poll - this is a rare combination of traits indeed.

### **Cooinda Rick O'Shea (PP)**

Rick O'Shea is a full bodied Homozygous Poll bull who was used in a multiple joining over heifers. He is offered as Lot 13 in this sale.

### **Talgai Phantom (P)**

Phantom (P) was purchased for \$15 000 at the 2020 Heartland Sale. He is a long, dark bull with high growth and plenty of skin. His pedigree contained genetics that we were keen to have in our herd.

## *Notes for Sires of Dams of Sale Bulls.....*

There is always a lot of emphasis and importance placed on the Sires of the Sale Bulls, but if you look further into it, there is arguably more important information to be gained if we look at the Sires of the Dams of the Sale Bulls. In our opinion it is here that an individual bull, either purchased or retained, proves his long term value to the Stud. Long after his sons have been sold into other herds, his daughters, if they are the goods, will continue to exert their influence on the herd and consequently, the Sale.

The Dams of this year's sale team have been sired by 21 different Sires and a lot of these Sires have multiple daughters represented which begins to show the impact that these sires have had on the Cooinda herd.

condition whatsoever shall be implied from any affirmation made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee warranty or condition whatsoever was given or implied.

7. In the event of any dispute in respect to the sale of any lot:-
  - (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these terms and conditions.
  - (ii) The vendor and the purchaser shall resolve the dispute between themselves;
  - (iii) The auctioneer shall have no liability or responsibility in regard to the dispute; and
  - (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.
8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9. (a) PAYMENT – Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidder's offer by the vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and all cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated, and until property shall pass, the purchaser shall hold such lot as bailee, provided that in all cases should such

- payment not have been made and liquidated within 14 days of the date of the sale the auctioneer reserves the right to:-
- (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
  - (ii) Recover from the purchaser interest upon the purchase price at a rate per annum which aggregates the 90 day Bill Rate plus two per centum. For the purposes of this condition "the 90 day Bill Rate" is the rate published regularly in the Australian Financial Review, expressed as a percentage per annum. If at any time the Financial Review ceases to publish a 90 day Bill Rate, the auctioneer shall determine and advise the purchaser of the interest rate to apply for the purpose of this condition.
- (b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.
10. If the purchaser shall neglect or fail to comply with any of the within conditions, any lot purchased by him may be immediately resold by public auction or private contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.
  11. Any vendor or purchaser removing the sale number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damage should the lot be wrongly delivered.
  12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions, and shall jointly and severally carry out and perform same.
  13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the vendor or the auctioneer, provided however, that this Condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
  14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.
15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.
  16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trade Practices Act or any applicable State legislation which cannot be contractually excluded and excepting conditions and warranties expressly contained in these Terms and Conditions of Sale, any express or implied condition, statement or warranty, statutory or otherwise, is hereby excluded. The auctioneer is not liable in respect of any error, misdescription or omission in any particulars appearing or stated regarding the descriptions or pedigrees of any lot offered for sale and no such error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.
    - (b) Each lot will be sold subject to passing all veterinary tests required by the law of the State or country to which the purchaser intends to transport that particular lot, such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to or remain with the vendor.
  17. **GUARANTEES OF FERTILITY:-**
    - 17.1 **BULLS.** Save and except for calves at foot, all bulls are guaranteed breeders and to so prove within six months of the date of sale or by reaching the age of 30 months whichever date shall be the later.

In the event of the animal not being proven fertile within the period the costs incurred shall be borne by the vendor.
- 17.4 LIABILITY OF A VENDOR. Except for costs defined elsewhere in the conditions of sale, the liability of a vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal(s) or to provide mutually agreed upon replacement animals.
- 17.5 REFUNDS. In the event of a claim being substantiated and the purchase price being refunded, the animal/s shall automatically become the property of the vendor and be returned to him or disposed of according to his instructions at his expense.

- 17.7 In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser and the auctioneer, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other monies or interest payable by the purchaser in accordance with these Terms and Conditions.
- 18

  - (b) if any vendor brings to the sale premises any lot which is dangerous, or infected with any disease, that vendor shall be liable for all injury, damages, costs, losses, or expenses which the auctioneer may sustain, incur or be put to either directly or indirectly as a result of the vendor so doing. The auctioneer reserves the right, at its

absolute discretion, to exclude from the sale, or put out of the sale venue or dispose of, any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.

19.
