25 SANTA GERTRUDIS BULLS

Welcome to Doorabeeba Stud

Doorabeeba Stud (2068) registered in 2006 by Murray Smith and Susan Michell is situated between Bellata and Rowena in north western NSW and run on two blocks – Cuulmara, Wee Waa and Doorabeeba, Rowena. The herd is based on the initial purchase of 97 cows and calves from Bulyeroi Pastoral Co and a further 300 plus females acquired at the time of succession planning: Doorabeeba being the eastern most block of Bulyeroi.

The Bulyeroi herd originated at Castletop on the eastern fall of the Nandewar Ranges between Narrabri and Bingara in 1922 when Cliff and Frank Michell bought 20 Devon females and one bull with their earnings from shearing. When Robert moved from Castletop to Bulyeroi in 1967 he took with him 140 Devon cows.

In 1983 Santa Gertrudis bulls were introduced to the Bulyeroi herd which, at that time, consisted of about 700 breeders. Sheep were still the principal enterprise however they were phased out from that point on. It was around this time the Bulyeroi stud (1465) was established although progeny were never registered. Only Santa Gertrudis bulls have been used since 1983 and from about 1988 only classified bulls. From 1983 to 2007 approximately 130 bulls were purchased from studs including Warenda, Yarrawonga-Waco, Wave Hill, Pinaroo, Hardigreen Park, Swan Hill, Rosevale, Diamond T, Big Sur, Korana and Murrumbo.

Since 2006 Doorabeeba Santa Gertrudis has been grading up through the SGBAA and now have over 80% of females classified.

Current sires include Hardigreen Park Victory N56 (PS), Diamond H Wizard W213 (PP), Dunlop Von Zipper R64 (PS), Munnabah Maximus 1248 (P) and Doorabeeba Ranger R82 (PP).

Sire History includes: Hardigreen Park Universe M18(P), Watasanta Like-a-Lot 2036 (PP), Bullamakinka Q12 (P), Jamar Romeo R82 (P), Yarrawonga Juarez J1358 (P), Warenda Jamaica J18, Munnabah Jos 936 (P), Moongana Kokoda 2746 (PS) and Warenda Moonshine M10, Bullamakinka General, Benelkay Genuine (PP), Bullamakinka Hector, Burramurra Huon (P), Restdown Hondo (P), Doorabeeba Kaptin (PS), Yulgilbar Elder (P), Warenda Tambo (P), Warenda Require (PS), Hillside Ironman (PS), Hillside Enterprise (P), Warenda Patriarch (P), Warenda Rockingham (P) and Raelands I015 (P).

CHAPTER ONE - PRELIMINARY (a) A vendor is bound by these terms and conditions by offering liveste

- (b)
- An agent (which includes an auctioneer) is bound by these terms and conditions by conducting an auction sale.
- (c) A buyer is bound by these terms and conditions by bidding at auction. (d) Competition and Consumer Act (Cth) 2010
 - It is unlawful for parties that are, or otherwise would be, in competition with each other to make, or give effect to, a contract, arrangement or understanding that contains a provision relating to:
 - price-fixing; or restricting outputs in the production and supply chain; or allocating customers, suppliers or territories; or bid-rigging; or collusive bidding. ii. iii. iv.

 - Large fines and other sanctions may be imposed for unlawful conduct.
- Large mines and other sanctions may be imposed for unhawnin conduct. In these terms the expression auclioneer, agent, buyer and vendor respectively includes the servants, contractors and agents of each of them. The auclioneer, agent, buyer and vendor shall be wholly responsible for the acts and omissions of their respective servants, contractors and agents. The term 'auclioneer' includes, so far as the law and context permits, the vendor's agent.
 - When used in these terms the expressions "companion animals" means all animals originating from the same property on a particular day. Where lots are split and sent to multiple establishments, then all of these animals shall be regarded as companions. (b)

The following applies in interpreting these terms and conditions: з. The following words have the following meanings: (a)

Fees means all levies, charges, fees, costs and other expenses incurred or relating to these terms and conditions and the sale and purchase of livestock including, without limitation, transaction levies, yard and weigh dues, cartage, advertising and rebates, and whether paid for, or incurred, by the agent;

- Livestock means animals auctioned pursuant to these terms and conditions; and
- Price means the amount at which the lot has been sold to the buyer referred to in clause 7 of these terms and conditions
- (i) plus any Fees and other expenses incurred in relation to the purchase of livestock that are payable by the buyer; and
- plus any GST added in accordance with clause 12. (ii)
- ymp and any voir addree in accordance with clause 12. These terms and conditions are subject to legislation or regulation in the State in which the auction is conducted and in the event of any conflict then the legislation or regulation will prevail. The provisions of these terms and conditions are in addition to, and do not derogate from, the duties and rights or vendors, agents and buyers set out in legislation and regulation in the State in which the auction is conducted.

- CHAPTER TWO STANDARD TERMS OF SALE

 4.
 Subject to any reserve price, and to the right, prior to the fail of the hammer, of the vendor to withdraw any lot without declaring the reserve, the highest bidder shall be the buyer.
- 5. The auctioneer has the right to bid on behalf of the vendor provided that right is notified prior to the commencement of the sale and is subject to State law.
- 6. A bid cannot be made or accepted after the fall of the hammer unless, in accordance with clause 8, the auctioneer decides to put the lot up again.
- Prior to the fall of the hammer the auctioneer shall announce the last bid and receive any further bids. The last price called by the auctioneer at the fall of the hammer shall be the amount at which the lot has been sold. 7.
- In the event of a disputed bid, the auctioneer is the sole arbitrator of the successful bidder or the auctioneer may decide to put the lot up again. The 8.
- auctioneer's decision is final. The auctioneer may refuse to accept any bid which, in the auctioneer's opinion, is not in the best interest of the vendor and need not give reasons for doing so. 9.
- A bidder shall be deemed to be a principal unless, prior to bidding, the bidder has given to the auctioneer a copy of written authority to bid for or on behalf of another nerson. 10
- The successful bidder at a livestock auction sale must give to the auctioneer at the fall of the hammer: 11.
 - (a) the purchaser's name; or
 - (b) the bid card number which identifies the purchaser; or
 - the name of the person on whose behalf the successful bid was made; (c)
- (d) the Property Identification Code (known as the "PIC") of destination. The auction shall be conducted on the basis that the bid price shall be exclusive of Goods and Services Tax (GST). GST shall be added after the fall of the hammer for those sales subject to GST. 12
- The vendor warrants; 13
 - That the vendor has (or will have) the right to sell the livestock at the time of delivery; and (a)
 - That the purchaser will obtain title on completion of the purchaser's obligations under this contract including payment. (b)
- obligations under this contract microunty payment. If a buyer does not comply with any of these terms and conditions, which includes the requirements of Sitte law, any livestock knocked down to that buyer may be re-sold by public auction or private contract in whatever lots and manner the auctioneer decides. The re-sale may be with or without notics and shall be at the buyer's risk. The buyer's irresponsible for all loss and expense arising out of a re-sale and is not entitled to any resulting profit. 14.
- The buyer of livestock must pay the agent the full amount of the purchase price in immediate funds on receipt of a tax invoice. Payment is required prior to delivery unless some other time for payment is specified in an agreement between the buyer and the auctioneer that was made before the fall of the hammer. If, before delivery, payment has not been made then clauses 20 to 23 15.
- No person may bid unless, prior to the commencement of the sale, that person has made arrangements satisfactory to the auctioneer for payment for livestock purchased. If bids in breach of this condition are inadvertently accepted, delivery shall not be given until the purchase money is paid and any law, rule or practice to the contrary is accordingly negatived as far as possible. 16.
- 17. (a) Cattle sold on a liveweight basis that are weighed pre-sale are at the risk and expense of the buyer upon the fall of the hammer.
 - Cattle sold on a liveweight basis that are weighed post-sale are at the risk and expense of the buyer immediately after weighing. (b)
- All livestock other than cattle sold on a liveweight basis are at the risk and expense of the buyer upon the fall of the hammer. (c)
- Subject to this clause the sale is complete on the fall of the hamn (a) The time for rejection is the time commencing at the fall of the hammer and ending at the first of: (b)
 - (i) delivery is taken by a representative of the buyer
 - departure of the animal from the purchaser's delivery pen; or (ii)

 - in the case of pre-sale weighing, sold; o
 - in the case of post-sale weighing, weighed.
 - During the time for rejection the buyer may reject any animal which is lame, blind or diseased where that condition existed prior to the fall of the hammer but could not be reasonably observed when the animal was in the selling pen. (c)
 - If the purchaser rejects an animal during the time for rejection then the sale of that animal is cancelled and the animal is returned to the vendor or sold on such terms as any buyer and the agent may agree, after the agent has disclosed the reason for rejection to that buyer. (d)
 - agein has unsubsed the reason for rejection to that buyer. This subclause applies only to cattle which are sold in Queensland at auction for slaughter. The agent has responsibility for the prevention of loss or escape (but not death, sickness or injury) of those cattle from the time of the fail of the hammer, for delivery to and from the scales, to the buyer's delivery pen and not the buyer's nominated transport. This responsibility ends at the earlier of those cattle boarding the buyer's nominated transport or sunset on the day after the sale. This

subclause does not apply if the agent makes an anno effect prior to sale.

- effect phor to save. Subject to the right of rejection in Clause 18, all conditions and waranties expressed or implied by law are hereby excluded from the sale to the extent that the law allows. All lots are open for inspection prior to the commencement of the sale and are sold with all faults, if any. No compensation shall be given for any faults, imperfections, errors of description, number in or of any lots sold or otherwise. (a)
- errors or description, namine in or or any fors solid or dune wase. Any claim or objection arising out of an error or misdescription in the provision of relevant information in terms of legislation or regulation concerning the National Livestock Identification Scheme (NLLS) must be made by 5:00pm on the seventh day after the fall of the hammer. No objection, requisition or claim against the vendor or agent in respect of such error or misdescription can be made after that time.
- such error or misdescription can be made atter that time. Any statements made by the vendor or the auctioneer whether in writing or cally to the effect that any female has been pregnancy tested or scanned positive shall mean and require only that a certificate in writing shall be supplied to the buyer signed by a qualified veterinary surgeon or certified scanner certifying that the said female has been tested or scanned on the date specified in the certificate and that in the opinion of the surgeon or scanner was pregnant on that date.
- For slaughter cattle, the agent undertakes to make every reasonable effort to ensure that any NLIS cattle device number is transferred from the saleyard PIC to the purchaser's PIC on the NLIS database no later than midnight on the day of the sale. (d)
- For other slaughter livestock the agent undertakes to make every reasonable effort to ensure that the NLIS information is transferred from the saleyard PIC to the purchaser's PIC on the NLIS database no later than midnight on the day of the sale. (e)
- Mathe time intercept of the second safety or market eligibility status derived from the National Vendor Declaration (NVD) and/or the NLIS/ERP database, the agent will inform the buyers by presale catalogue and/or announce the status prior to the offering of those lots. (f)

 - agent on behavior to the vendor in relation to the sale of the investors. In the event that the buyer pays the Price or part of it direct to the vendor then the agent has no liability to the vendor for the amount of such payment. Further, if the agent pays the vendor any amount which the buyer also pays direct to the vendor must repay the agent that amount and the agent may debit that amount to an account held in the name of the vendor by the agent.
 - Regardless of whether or not a sale has occurred the agent may, but is not under obligation so to do, instead of deducting payments owed to it by the vendor, debit the amount of the commission and fees to an account held in the name of the vendor by the agent. (c)
- The auctioneer has been retained by the vendor as auctioneer for the purpose of selling the livestock comprised in the lots. The terms of 25. (a)

- CHAPTER THREE VENDOR WARRANTY FOR CORRECT PRESENTATION AND DECLARATION 26. This chapter applies only in the case of livestock and their companion animals sold at auction for slaughter when the buyer is the slaughterer and the livestock are transported direct from the sole yard to the meatworks at which they are slaughtered. This chapter does not apply if the buyer is a trader who subsequently resells the livestock to a slaughterer. A slaughterer is any person who pays the AMPC Processor levy.
- The warranty of a vendor is that livestock and their companion a for sale at auction:
 - (a) pass government and other regulatory authority requirements and inspections at the time of slaughter;.

all information in any document provided by the vendor is true, complete and correct in all material respects.

In the event of a breach by the vendor of the vendor's warranty and provided such breach is notified by the buyer to the agent by 5:00pm on the 7th day after the fall of the harmer then the buyer is not liable to pay the portion of the Price of such of the vendor's livestock to which the breach applies.

However if the breach by the vendor is such that the livestock are not rejected outright but are instead downgraded then the buyer will pay the value of the livestock at their next highest and best use.

In the case of a breach by the vendor of the vendor's warranty then the vendor will also be liable to the buyer for any further losses which the buyer might establish but the buyer will call are sonable steps in co-operation with the agent and vendor to mitigate both the effect of the breach and the amount of any loss.

Where a sentinel animal of a lot tests positive for chemical residue, or foreign material contamination and provided such test is certified and notified as required by these vendor warranty terms, then:

the buyer will be entitled to delay payment for the price of all livestock in that lot only; or

In that too only, or the vendor has the option, at the vendor's cost, of collecting the companion animals, if allowed by Jaw; or of having the livestock slaughtered in which event the risk of further condemnations will be that of the vendor. Where product integrity is potentially jeopardised, the Processor has the right to refuse slaughter and send the livestock back to the consigning property at the vendor's cost.

auctioneer is liable to the buyer in respect of any breach of the vendor's anty arising out of:

any error, by the auctioneer, of transcription of information from the NVD completed by the vendor to the pre-sale catalogue or the buyers post-sale summary;

any failure by the auctioneer to notify the buyer, prior to bidding, of any breach by the vendor of the warranty of the vendor if the buyer establishes that the agent knew of such breach prior to the sale; and

any failure by the auctioneer to announce prior to bidding, or disclose in the pre-sale catalogue, that the vendor has failed to provide a NVD that is complete in all material aspects.

Owner sikk reflects the producer's responsibility to provide slaughter cattle for sale that are fit for human consumption. Cattle are fit for human consumption if they are not condemend as a unif by government. Owner sikk applies if the condemnation is due to a condition in the animal which the buyer establishes, by the relevant government certificate, existed prior to the fail

A buyer with the benefit of owners risk protection is not liable to pay the Price of that animal to the vendor. The buyer remains nevertheless liable for all costs incurred after the fall of the hammer in transport, slaughter, testing and disposal of the animal.

Owners risk protection is available to the buyer of cattle to which this chapter applies if all of the following are satisfied:

a cortificate is issued by government which states the relevant NLIS RFID tag number and PIC, the date of the certificate, the reason for condemnation and that the reason for condemnation existed prior to the fall of the hammer;

the certificate is received by the selling agent either in its original form or by fax or electronic communication in the form of data, text or imaging by 5:00pm on the 7^{m} day after the fall of the hammer; and

if the condemnation is due to chemical residue the certificate follows testing in a government approved laboratory which establishes maximum residue limits in excess of the Australian limit.

Owners risk does not apply, and the buyer must pay for the cattle, if the reason for condemnation is any of bruising, fever, partial condemnation or emaciation.

Penalties for collusive practices. It is an offence against the Property, Stock and Business Agents Act 2002 for a person to do any of the following as a result of a collusive practice, or to induce or attempt to induce another person by a collusive practice to do any of the following:

The auctioneer has the right to make one bid on behalf of the vendor if the auctioneer clearly and precisely announces that fact prior to the sale.

Tasmania Legislation. An auctioneer conducting a public auction must not appear to acknowledge the making of a bid if no bid was made. A person must not participate in collusive practices by way of making or receiving a unulavily promise to abstain for bidding, not to bid except to a limited extent or do any other thing which may prevent free and open competition.
