Welcome

It is with great pleasure that we invite you to the Inaugural Murgona Santa Gertrudis Invitation Sale. As it turns out we couldn't have asked for a better year to begin this exciting new phase of our studs' progression. The opening of the new Taroom Livestock Selling Facility at the Showgrounds has afforded us a tick free local venue to auction our bulls. The season has been well and truly in our favour, though we empathise with those who have suffered due to flooding. And the demand for Australian Beef, coupled with the national herd rebuilding, has seen unprecedented cattle prices and confidence in the industry in general. However, as we pen these words FMD threatens Australian Agriculture. We ask, therefore, that you support any biosecurity measures implemented at our Open Day or on Sale Day.

Murgona Santa Gertrudis was established in 1998 by Daniel Phillips and is currently operated on "Burradoo" in the Wandoan/Taroom District by Daniel, Kasey and our two children. As we established our herd females were introduced from several leading studs including Diamond H & Yarrowonga Waco, with Kabunga females continuing to make their mark. We are focused on producing well-muscled, healthy, correct bulls with good constitutions and temperaments whose progeny will suit any market. We appreciate the benefits of poll cattle and are pleased to have catalogued 80% poll/poll scur bulls for your competition without sacrificing growth, breed character and bone. We are pleased to have Doorabeeba Santa Gertrudis joining us as Invited Vendors offering 11 quality sires for your competition. Murray & Susan have similar breeding objectives to us therefore we are confident their bulls will do well for our clients and fit seamlessly into the sale.

We greatly appreciate TopX Roma coming on board as our selling agents. We can confidently say that without Cyril Close's ongoing support, advice, encouragement and enthusiasm Murgona Cattle Co wouldn't be what it is today. We are pleased to offer outside agents a 3% rebate and have AuctionsPlus as a buying option if you are unable to attend the sale in person.

Spring is going to be a very busy but enjoyable time for us and we would be delighted if you could join us at one, or all, of the following events;

- Murgona Cattle Co Open Day Saturday 27th August, "Burradoo" Wandoan, 8.30am – 5.30pm
- Murgona Cattle Co Family Friendly Golf Day 10th September, Taroom Golf Club, tee-off 1pm
- Murgona Santa Gertrudis Invitation Sale 30th September, Taroom Showgrounds, 12 noon

We would like to take this opportunity to thank the friends, families and businesses who have supported us in the past and we look forward to seeing both old and new faces at this year's sale. If you have any enquiries please do not hesitate to contact us or the TopX Roma team.

Kind Regards,

Daniel, Kasey, Taylor & Brian Phillips

Reference Sire

YARRAWONGA JUPITER J574 (P)

Jupiter (P) was purchased for \$44000 in 2014. He was virtually faultless in our eyes having a tidy sheath, good structure and impressive raw data. Jupiter (P) has breed a very consistent line while passing his docile temperament onto his progeny. We have sold 30 of his sons through the Heartland Santa Sale over the last 5 years to average \$8617. Jupiter (P) is now enjoying semi-retirement at Coulsonview Santa Gertrudis with his last Murgona progeny being weaned this year.

Reference Sire

WAVE HILL MOLTON M39 (PS)

We purchased Molton (PS) in 2018 at Santa Central. He is extremely easy doing and possessed impressive raw data on sale day including a DWG of 1.37, EMA of 142cm, Fat Scans of 16/10 and IMF of 6.1. His tropical coat, faultless temperament and large testicles also caught our attention. In 2021 we sold 4 Molton (PS) sons for an average of \$13750. This year we offer Molton's second drop of sons, represented by lots 3, 4, 23, 25, 29, 31 & 32.

Reference Sire

MURGONA LEGEND L34 (PP)

**** First Release Sire****

Legend (PP) is a son of the reputable Diamond H Penthouse (PP) and the first home bred sire we have ever kept. He has a strong sire's head while possessing the homozygous poll genes, stands on good bone, is well muscled with an exceptional EMA of 152cm, as well as a good temperament, a tropical coat and large testicles. Legend (PP) was our heaviest weaner in 2018 at 430kgs and had an impressive DWG of 1.39 as a 2 year old. He is quickly proving himself with the quality and consistency of his progeny both male and female. 9 of Legend's first sons have been catalogued for your competition this year.

Future Sire

YARRAWONGA QUAKE Q990 (ET) (PP)

Yarrowonga Quake (PP) was purchased at the 2021 Yarrowonga Sale for \$55000. He has the desirable Homozygous Poll trait along with a tidy underline, smooth coat, structural soundness, good temperament and a desirable muscle pattern. This coupled with good breeding and outstanding raw data of 1010kgs, 155cm EMA (the largest in the 2021 Yarrowonga offering), 41cm SC & 90% morphology at 28 months of age sees Quake (PP) tick almost all of our boxes. Quake (PP) held up very well in his first season being single sired to 50 females who recently returned a 98% pregnancy rate. We eagerly await the imminent arrival of Quake's first progeny.

Reference Sire

HARDIGREEN PARK UNIVERSE (P)

Hardigreen Park Universe (P) was purchased at the Santa Central Sale in 2018 for \$22000, weighing 1108kgs with a 1.35 DWG. Universe (P) was a lovely natured large framed bull. We were delighted with his progeny, using him successfully over heifers and cows. Sadly Universe (P) died mysteriously and quickly in March 2020.

Reference Sire

MUNNABAH MAXIMUS (P)

Purchased at the Santa Central Sale in 2019 for a mere \$9000, Maximus (P) weighed 870kgs with a 1.1 DWG. Maximus (P) is a quiet, soft bull with excellent frame. He is still active in herd and has been used successfully over heifers and cows.

Managing your Purchase

Breeding a bull is a long term commitment, as is purchasing a bull! Due to the effort & expense involved for both parties we've compiled some useful tips so that you get the maximum benefit/return from your investment.

The Murgona herd is handled in a low stress manner by men, women & children, horses, dogs, motorbikes & ATV's, therefore we are confident they will fit seamlessly into your operation. As cattle are herd animals we encourage you to isolate your purchase as little as possible. Having stock prepared for your bull to go with upon arrival will assist in his transition. The selling and transportation process can be quite stressful on even the quietest of bulls, especially if they've been held and transported alone. Our cattle respect fences so you should feel comfortable letting your purchase straight out into the paddock with other cattle to 'settle in'.

Doing ability is one of our selection criteria. That coupled with the fact that we feed our bulls for a long working life means that they do not require 'letting down'. Young bulls are still growing however, and cutting teeth, so you can expect them to lose weight faster than mature bulls when put to work. It has been well researched & documented that the condition & health of working bulls is critical to the production of quality sperm. Hence we encourage you, if it's possible, to look after your young bulls following their first mating season. This could be as simple as putting them on good quality pasture and maintaining their vaccination program.

Ideally you should mate young bulls together. Older bulls tend to dominate young bulls and this can lead to injuries as well as a lack of offspring from your newly acquired genetics.

All the bulls in this draft are guaranteed breeders. Please be aware that changes that cause stress like transportation, alterations to diet, weather & environment as well as different handling techniques & personnel along with mixing with strange stock, especially bulls, can all have an effect on bull fertility.

We are confident we have done everything in our power to prepare your new bull for a long successful working life. We wish you every success with your purchase/s and encourage you to insure your bull/s (a WFI representative will be onsite) and follow these basic tips to safeguard your investment. If we can be of any further assistance please don't hesitate to contact us.

QUEENSLAND LIVESTOCK AGENTS ASSN LTD
STANDARD STUD STOCK - AUCTION TERMS AND CONDITIONS OF SALE

IMPORTANT NOTICE

All bids shall be treated as offers made upon the following Terms and Conditions of Sale and all persons present are admitted to attend the sale on the basis that they have notice of these Terms and Conditions.

1. The highest bidder shall, subject to Condition 2, be the purchaser provided that the vendor reserves the right to bid either by himself or through his agent or auctioneer and should any dispute arise among the bidders for any lot, during or immediately after sale of the lot, it shall be settled at the auctioneers absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the auctioneer and no bid shall be retracted.
 2. The sale will be conducted on a "Sale" or "No Sale" basis whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bid by the vendor who will immediately after the fall of the hammer declare "Sale" or "No Sale". Should the vendor reject the bid of the highest bidder such bidder will have the right of first refusal of the lot at the vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
 3. The details of the purchaser, the purchase price and the lot sold as recorded by the sale clerk for and on behalf of the auctioneer shall be equally binding on both purchaser and vendor.
 4. The auctioneer expressly reserves the right, without giving any reason therefor, to:-
 - (a) Refuse to acknowledge any bid;
 - (b) Withdraw any lot or lots before or during the sale;
 - (c) Exclude any person from the auction venue should it think fit.
 5. Each lot in all cases shall be at the risk and expense of the purchaser, upon acceptance of his bid by the vendor or upon acceptance of the highest bidder's offer by the vendor whichever shall be the earlier.
 6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these Conditions as to pedigree, sex, age, breeding condition or otherwise howsoever, and no guarantee, warranty or condition whatsoever shall be implied from any affirmation made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee warranty or condition whatsoever was given or implied.
 7. In the event of any dispute in respect to the sale of any lot:-
 - (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these terms and conditions.
 - (ii) The vendor and the purchaser shall resolve the dispute between themselves;
 - (iii) The auctioneer shall have no liability or responsibility in regard to the dispute; and
 - (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.
 8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
 9. (a) PAYMENT – Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidder's offer by the vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and all cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated, and until property shall pass, the purchaser shall hold such lot as bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the auctioneer reserves the right to:-
 - (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
 - (ii) Recover from the purchaser interest upon the purchase price at a rate per annum which aggregates the 90 day Bill Rate plus two percentum. For the purposes of this condition "the 90 day Bill Rate" is the rate published regularly in the Australian Financial Review, expressed as a percentage per annum. If at any time the Financial Review ceases to publish a 90 day Bill Rate, the auctioneer shall determine and advise the purchaser of the interest rate to apply for the purpose of this condition.
 - (b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.
10. If the purchaser shall neglect or fail to comply with any of the within conditions, any lot purchased by him may be immediately resold by public auction or private contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.
11. Any vendor or purchaser removing the sale number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damage should the lot be wrongly delivered.
12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions, and shall jointly and severally carry out and perform same.
13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the vendor or the auctioneer, provided however, that this Condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf for the feeding, watering, trucking, shipping of and

general attendance to any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.

15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.

16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trade Practices Act or any applicable State legislation which cannot be contractually excluded and excepting conditions and warranties expressly contained in these Terms and Conditions of Sale, any express or implied condition, statement or warranty, statutory or otherwise, is hereby excluded. The auctioneer is not liable in respect of any error, misdescription or omission in any particulars appearing or stated regarding the descriptions or pedigrees of any lot offered for sale and no such error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.

(b) Each lot will be sold subject to passing all veterinary tests required by the law of the State or country to which the purchaser intends to transport that particular lot, such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to or remain with the vendor.

17. GUARANTEES OF FERTILITY:-

17.1 BULLS. Save and except for calves at foot, all bulls are guaranteed breeders and to so prove within six months of the date of sale or by reaching the age of 30 months whichever date shall be the later.

17.2 FEMALES. Save and except for female calves at foot, all females are guaranteed to be in calf or go into calf within six months of the date of sale or by the age of 30 months whichever date shall be the later. A positive pregnancy test certified by a qualified veterinary surgeon shall be sufficient evidence that the animal is in calf.

17.3 Claims under Clauses 17.1 and 17.2 guarantees of fertility shall be made to the vendor within six months from the date of sale or prior to the animal entering a quarantine area other than on the vendor's property.

17.3.1 All claims must be accompanied by a veterinary certificate which shall clearly identify the basis of the claim.

17.3.2 Infertility resulting from injury or disease occurring after the sale of the animal shall not be covered by this guarantee.

17.3.3 The vendor retains the right to have the animal placed on a property nominated by him or returned to his own property for further assessment of fertility for a period not exceeding six months. In the event of the animal being proven fertile within the period, the costs incurred shall be borne by the purchaser. In the event of the animal not being proven fertile within the period the costs incurred shall be borne by the vendor.

17.4 LIABILITY OF A VENDOR. Except for costs defined elsewhere in the conditions of sale, the liability of a vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal(s) or to provide mutually agreed upon replacement animals.

17.5 REFUNDS. In the event of a claim being substantiated and the purchase price being refunded, the animal/s shall automatically become the property of the vendor and be returned to him or disposed of according to his instructions at his expense.

17.6 This guarantee shall be voided by the purchaser if –

(a) The animal is returned to the vendor –

(i) in poor physical condition or with any injury;

(ii) tests carried out on behalf of the vendor within fourteen days of such return proved positive to any diseases which may affect the animals fertility or ability to breed naturally; or

(b) the purchaser has collected and stored semen from a bull or embryos from a female.

17.7 In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser and the auctioneer, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other monies or interest payable by the purchaser in accordance with these Terms and Conditions.

18 (a) Each lot shall be at the risk of the vendor in respect of any damage or injury, whether by disease, accident or otherwise, for the period that the lot be in the custody of the auctioneer, PROVIDED THAT the auctioneer, its servants, agents and employees shall use all reasonable care to protect and control the lot while it is in the auctioneer's custody AND PROVIDED THAT when a lot has been sold, it shall be at the risk of the purchaser in all respects.

(b) If any vendor brings to the sale premises any lot which is dangerous, or infected with any disease, that vendor shall be liable for all injury, damages, costs, losses, or expenses which the auctioneer may sustain, incur or be put to either directly or indirectly as a result of the vendor so doing. The auctioneer reserves the right, at its absolute discretion, to exclude from the sale, or put out of the sale venue or dispose of, any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.

19. DELIVERY – Except at the discretion of the auctioneer no lot shall be delivered to the purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the auctioneer pursuant to Condition 14 hereof, is first made by the purchaser to the auctioneer. Release of lots may be withheld by the auctioneer until personal cheques are cleared.
