SANTA GERTRUDIS BULLS

Welcome

Welcome to Canowindra Santa Gertrudis 2022 bull sale. Last year we had an unforgettable sale and we saw another amazing result for our on-property sale. So, we thank all those that supported us.

We are pleased to be having our 4th on property sale this year. Firstly, we are excited to announce that Quandilla Santa Gertrudis will be our new invited vendor at this year's sale.

We welcome Jason Strong and Family along with their 9 bulls to this year's sale, we received their bulls in May 2022 to be fully prepared and looked after by us.

Although we didn't have a show team this year, due to our family growing. The quality of the bulls are still there but with the bonus of them being prepared under the same conditions enabling buyers to make an accurate comparison. This year we have also started Genomics Testing on our bulls, getting EBV'S which allows us to gain a better understanding on the performance of each bull.

We have been selling bulls through the sale ring for 49 continuous years. We believe our bulls thrive in all environments and are good examples of industry focused bulls that will reliably go on to produce partial, profitable cattle for our clients.

Once again, we have a strong line-up of bulls that will be presented for sale this year. Our bulls are prepared on a high roughage ration, to make sure they will perform in the paddock. Every effort is made to ensure our bulls are very well handle and educated. Note morphology results will be available for every bull and our bulls are Horn/Poll tested.

We wish to extend a warm welcome and we look forward to seeing you at our bull sale
Wednesday 28th September 2022.

Canowindra Sire References

DIAMOND H REAL FORCE (POLL)

Real Force was purchased from the Diamond H stud sale for \$20,000 at the age of 16 months. We loved his carcass quality and easy finishing ability, clean poll head, character, and sire presence at a young age. He has proven to pass these qualities onto his progeny. To date we have sold 35 of his sons to average \$9,200, tops of \$32,000 to CA & CC Moller and \$26,000 to A&K Walker.

Real Force has 8 sons in this year's sale.

YARRAWONGA GUN

Gun was purchased in 2017 at the Clermont Santa sale for \$13,000 from the Yarrawonga stud. Gun was a class winner at Ekka 2017 and caught our eye as he paraded himself well and showed that sire presents. He is a soft meaty bull with good depth of body and stands on good bone. We are excited by his progeny so far. We have sold 6 of his sons to date to average \$11,666 with a top of \$22,000 to Diamond H Stud.

Gun has 3 sons in this year's sale.

YARRAWONGA J1220 (POLL SCUR)

J1220 was purchased for \$9,000. J1220 was selected for his good length of body, muscle pattern and very clean, tidy underline. J1220 is a very active sire out in the paddock and has produced a consistent line of progeny. To date we have sold 18 of his sons to average \$14,000 with a top of \$105,000 to Andrew & Angela Doering Spring Creek Santa Stud.

J1220 has 9 sons in this year's sale.

Canowindra Sire References

NIOA PAYDAY (POLL)

Payday was purchased privately when he was just 11 months old at the Brisbane Ekka in 2019 where he was among a large selection for the under 12 months class, Payday was a clear stand out winner placing 1st in his class. His style, presence and sire appeal were outstanding attributes and admired from such a young age. He has continued to fulfill these attributes growing into a great sire with loads of breed character, excellent coat type, good depth of body, bone, softness and to top it off with a beautiful quite nature. Payday has 3 sons in this year's sale from when he was used in just the last 6 weeks of our joining season to replace one of our sires who had become lame.

YARRAWONGA EUREKA (POLL)

Eureka was purchased in 2016 for \$32,000 from the Yarrawonga Waco stud sale. Eureka was a class winner at Ekka 2015 and Wandoan feature show 2016. We admired his powerfulness and sire outlook; he also has tremendous muscle pattern and an extremely tidy underline that we were after in our herd.

Eureka has had 12 sons sell in our sale to date, topping at \$24,000 to Strathmore Stud and averaging \$11,833.

Eureka has 9 sons in this year's sale.

Quandilla Sire References

BENELKAY MILLER (PP)

Benelkay Miller M174 (PP) was purchased privately from Andrew and Jules Orman at Benelkay in late 2018 to kick along the Quandilla breeding program. These are his first bulls catalogued for sale and we are very happy with the heifers we have retained and joined last year. He is homozygote polled and has a great temperament. He matured into an impressive sire with growth and muscle that we have seen flow through to his progeny.
