

BIG GROUP

SANTA GERTRUDIS

49TH ANNUAL BULL & FEMALE SALE
THURSDAY 7TH SEPTEMBER, 2023 - 12 NOON
AT ALLORA SHOWGROUNDS, ALLORA QLD

**64 CLASSIFIED
& HERD BULLS**

**24 CLASSIFIED
FEMALES**

WELCOME

Welcome to the 49th Annual Big S Sale which we are presenting at Allora Show Grounds, on Thursday 7th September, 2023 commencing at 12.00 noon. Bulls will be penned under the large, new shed at the show grounds enabling easier access for inspection prior to the sale. The Allora Show Grounds are situated on the New England Highway on the edge of Allora, QLD.

We would like to welcome all Santa enthusiasts to the sale and a special welcome our four new members selling for the first time.

Buyers can buy with confidence as all bulls will be vet inspected, semen/ morphology tested and fat scanned. Females will be vet checked and guaranteed breeders. All bulls and females will be classifier inspected pre-sale.

With the female herd being rebuilt Australia wide, demand for bulls should be high. There will be a number of vendors with larger lines of bulls on offer. We look forward to meeting old and new buyers at our sale which has a reputation for quality bulls at reasonable prices.

I would like to thank Elders, Allora Show Society and Big S Group vendors. A big thank you also goes to our sale committee for their tireless efforts in helping to prepare for the 2023 Big S Sale.

Regards

John McCarthy

Chairman

Big S Group

INSPECTIONS

Sale time is 12.00 noon and inspections can be made from 9am on sale day. Cattle will be at Allora Showgrounds the day prior to the sale and can be inspected after 4pm.

REFRESHMENTS

Morning tea and lunch will be available at the sale complex.

SALE DAY SAFETY

Disclaimer: Visitors entering sale pens do so at their own risk. If you are limited in your mobility or have small children with you, please do not enter the pens. All Covid-19 precautions will be applied.

MOBILE PHONES / PHONE BIDDING

Elders will have agents available to take your bid if you are unable to attend. Please make arrangements prior to sale day:

- Andrew Meara (Elders) 0427 210 634

SUPPLEMENTARY SHEETS

All females presented for sale as PTIC will be accompanied with a pregnancy certificate. Any further information supplied by the vendor will be noted on the supplementary sheet.

DELIVERY

Where possible please arrange to remove cattle from Allora Showgrounds on the day of the sale. Please speak to Elders should you need to make other arrangements. Transport and holding yard alternatives will be available. Please coordinate with Elders staff regarding delivery. No cattle will be loaded before completion of the sale. No lots are to be penned together before loading.

INSURANCE

An insurance representative from Elders will be in attendance on sale day. All lots become the buyer's responsibility from the fall of the hammer.

CONDITIONS OF SALE

Conditions of Sale are displayed in the catalogue.

OUTSIDE AGENT REBATE

3% rebate will be given to outside agents who introduce clients to the sale 24 hours prior to sale date and finalise payment within 7 days.

Whilst all care is taken, people attending the Big S Group sale at Allora Show Grounds do so at their own risk and no responsibility will be accepted by Allora Show Society, Elders Limited or Big S Group Committee & Sale Vendors.

FOR TRUSTED STUD STOCK SERVICE

Elders provides your business with access to the latest industry knowledge and expert stud stock auctioneers, as well as tailored advice on your stud stock performance and management.

Boost Livestock performance

with Anipro Liquid Supplements.

Protein and minerals to optimise production.
Delivered straight to your paddock!

Improving results in livestock systems requires year-round nutrition planning. Anipro provides convenient, custom nutrition supplements that optimise available forage, minerals, and protein to increase herd health and profitability.

KEY BENEFITS

- ✓ Molasses based liquid supplement
- ✓ Provides essential protein, minerals & vitamins
- ✓ Up to 27% improvement in forage intake
- ✓ Fully serviced program saves time & money

For an increase in condition and weight gain, higher fertility and conception rates, and all round healthier cattle, contact Performance Feeds today!

AVALON

Ian and Colleen Clark and Trannette Scofield

Avalon was founded in 1967 and registered as stud number 681 in 1970, after the purchase of a cow in calf by brothers Ian and Geoffrey Clark. Fifty-three years later, it is still operating on the banks of the Richmond River on the outskirts of Casino, NSW.

We pride ourselves in producing quality cattle, which have the breed standard temperament, structure and colour.

We proudly offer for consideration 3 bulls and 3 PTIC heifers which have been hand-picked and fitted for this sale. If you have any enquires please contact Ian Clarke (Owner) on 0417 069 325 or Net Scofield (Stud Manager) on 0475 073 527.

BLACK ROCKS

Black Rocks Santa Gertrudis Stud (Manager – Garth Williams)

Black Rocks Santa Gertrudis was recently established in 2022 on 1000 acres at Tabbimoble, NSW. With the acquisition of almost the entire Bunda Santa Gertrudis stud herd from Nigel & Toni Sharpe at Goondiwindi, and subsequent sire purchases from Hayleigh and Arioca, Black Rocks is off to a great start. We aim to provide functional, fertile cattle with great temperament that can do well anywhere. We thank you for attending the sale, and look forward to seeing you again next year.

BRADBURY PARK

Chris Shiels

Bradbury Park has been linked to the Shiels family in Australia or over 200 years. The original property at Campbelltown in NSW was owned by William Bradbury. Today, Bradbury Park is located at Robertson in the Southern Highlands of NSW, and is run by Chris and Elle Shiels. Chris Shiels is the direct descendant of William Bradbury through his daughter Mary Shiels. The Shiels family have gone to great lengths to source premier bloodlines from studs such as Tudor Creek, Denngal, Gyrenda, Willamba and Macaire.

Bradbury Park's standing sires are Macaire Jack, purchased from the Moxey family in 2021 and Bradbury Park James Tyson. Bradbury Park James Tyson's sire was Capricorn Big Business. His dam is Denngal Dimity was purchased in 2014 and then went on to gain a 2nd placing at the Sydney Royal Show. Recently, Titan T2 was shown at the 2023 Royal Show achieving Junior Champion Santa Gertrudis Bull. Titan T2 is a half-brother to Macaire Jack.

The Shiels family are proud to present quality Santa Gertrudis stock for sale and appreciate the support of buyers purchasing their stock.

DSB

DS Bradley & AJ MacKay

Our cattle farming business was established in 2004 with six Santa Gertrudis 2X cows and a classified bull which were generously given to Doug by Michael Rankin of Hartwood Station at Cobar, NSW (Stud 827) when Doug left his employment to start his own farm. Doug had worked for Mike for 9 years gaining valuable experience in breeding Santa Gertrudis stud cattle. After moving to Nottingham Park, Ashford, NSW, another ten cows were purchased from Mike. Our entire herd has been bred from these hardy cattle from western NSW.

We registered our stud in 2011. Our first bull Hartwood 781 (PS) (AI) was a naturally quiet bull sired by Murgo Farrer (PS). We have also purchased sires from Waco, Yulgilbar, Hallcraig, Glenn Oaks, Welbatch, Diamond H and Tookey Creek Studs. Our focus is breeding dark poll bulls which are naturally quite to handle whilst retaining plenty of Santa breed character. The majority of our female herd is polled, and we use only poll or poll scur sires. We routinely conduct horn-poll genetic testing on our bulls and offer a number of homozygous (PP) bulls for sale this year.

Please refer to our website www.bradleysantas.com.au or our Facebook page Bradley Santa Gertrudis Stud for photos and videos. We also welcome you to make arrangements to inspect the bulls at our property prior to the sale.

HALLCRAIG

Jock Robertson-Cuninghame

Hallcraig was registered in 2006 after using Santas in a crossbreeding program over black baldie cows for 25 years. 'S' Females were purchased from Rosevale, Eidsvold Stn, Santalands, Kamawa and Hartwood.

Hallcraig is situated in the northern tablelands at an altitude of 930 m. Stud cows get no preferential treatment. They are run like commercials. Functional, fertile and easy doing cattle is the end result.

HIGHWOOD STUD

JN & SM Christensen

Highwood Santa Gertrudis was established in 1996 by the Christensen Family of Kilcoy. A small herd of cows brought from Santalands stud and was the start of our breeding program. We then added numbers from several dispersal sales. By doing this we secured the best female genetics available. We have since expanded our operations in the Linville region of the Brisbane Valley.

Our current sires include Wave Hill, Greenup, Glenn Oaks and Diamond H bloodlines and are selected for doing ability and fertility in light forest country. All our bulls are run on coastal forest, black spear grass and lantana country, hence display hardiness and versatility. They are ready to go to work.

We are very excited about the future of Highwood Santa Gertrudis and invite you to be a part of the journey.

HOMELEIGH

Jonathon Maskall

Homeleigh Santa Gertrudis is a small stud focused on breeding consistent quality cattle, of good temperament and all-round breed characteristics. Stud females were first purchased from Gyrauda in 2018. Additional females have since been sourced from Rosehill, Gyrauda, Bullamakinka and Oakdale Santa Gertrudis. Bulls from Rosehill, Hayleigh and Wave Hill have been used successfully in building the Homeleigh herd. All Homeleigh cattle are vaccinated for 7 in 1, 3 Germ Blood and Vibrio. Bulls are veterinary inspected, semen and morphology tested, and tested pesti virus negative prior to sale.

LINDSAY PARK

Lindsay Park Pty Ltd (Manager - Garth Williams)

Established in 2018, Lindsay Park Santa Gertrudis is operated over four separate properties in the Northern Rivers district of NSW. The acquisition of Yarrowonga females formed the female base and subsequent purchases of high-quality sires including the sale topping \$35,000 Murgona Levi-R (PP) and \$70,000 Rockingham Powerhouse (P) has allowed us develop an elite genetic base to expand our stud. In conjunction with the stud, we run a commercial operation, utilising our own bulls which helps to reinforce our sires are commercially orientated. With the introduction of AI and ET programs in 2022 we endeavour to narrow down on our highest performing females to deliver some very high-quality genetics in the future. We thank you for attending the sale.

Garth Williams, Manager, Lindsay Park. M:0401 027 711

RIBBLETON

Hutchinson Family

Ribbleton Santas is currently based in Clifton and newly bought land at Nobby. Ribbleton Santas was registered as a stud in 2018. The herd was only recently graded up from a commercial herd in November of 2020. We first started breeding Santas back in 2008 with the acquisition of 63 commercial Santa females. At the end of 2017, the breeding female herd was at 350 commercial females, before the drought hit. The herd now consists of 50 classified stud females.

Ribbleton has always bought classified 'S' bulls over our years of breeding. Our first ever Santa bulls bought were Bremervale Quigliy & Bremervale Ripley. These two bulls have been a vital part of the shaping of our herd with 65% of the classified herd now relating back to these two bulls. Other bulls that have been used in the herd over the years were Dundee Aztec and Linlands Mate.

Our current sire in is Ribbleton Humphrey a successful AI out of Wavehill Jager J14 (PS). He is dark coated bull with a powerful sires head and is loaded with muscle. He shows all the classic Santa Gertrudis characteristics and his prodigy are showing an early maturing pattern with plenty of muscle throughout. Humphrey sired the 2022 Senior and Grand Champion Bull of the Brisbane Ekka, Ribbleton Steve.

ROSEHILL

JA & RA McCarthy

We have been at Hodgson Vale for 12 months now, and we are continuing to breed Santa Gertrudis cattle on a smaller scale. We are situated 10 minutes from Toowoomba, so not far off the track to view the cattle if required. Our aim is to breed quality and high performance cattle for our clients.

Our stud was established in 2012 at Clifton on 500 acres. We have used A.I. and embryo programs using leading sires, with Rosehill Jameson 4 being our most successful sire. He has been the sire of most of our champion females and top priced bulls. His daughters are breeding good progeny. The majority of our herd were sold to Dangarfield stud prior to selling our property and much smaller numbers were retained.

We are offering 8 classified bulls (5 poll/scurred) and 1 herd bull at this year's sale including Rosehill Stephen (PS), sired by Canowindra Gold Edition, who won Supreme Santa Exhibit at Toowoomba show this year and Rosehill Theo (PS), sired by Tookey Creek N24, who won Calf champion at Toowoomba show. We are also offering 6 preg tested in calf heifers, all polled. Four are daughters of Rosehill Jameson, one is by Wave Hill Jager J14 and one is by Canowindra Gold Edition.

Please feel free to contact John on 0412 774 247 if you have any queries about our bulls and females or if you would like to see them prior to the sale. For photos go to our Rosehill Santa Gertrudis Facebook page.

WAKAN MAKKA

Jeremy Shand and Robert Stavrou

We started the stud approximately 20 years ago in Bostobrick, NSW after having a mixed herd of Angus, Hereford, Charolais and Simmental females that we were joining to a Santa Bull (Leefalls Noodle). We then decided to buy some classified Santa breeders. These were purchased from the Valleyview Stud and we gave the stud game a go, and have never looked back. We bought a bull from Balgree Santas (Balgree Admiral) and from there started building the stud herd.

We purchased land at Iron Pot Creek, Ghinni Ghi near Kyogle, NSW and have now settled in the Jiggi Valley, north of Lismore where I met Robert and we decided we'd combine our properties. We run 60 predominantly classified, polled breeders and replacements on approximately 275 acres. Our bloodlines include Valleyview, Clanricard, Warenda, Yarrowonga, Dundee and Santalands. Our current sires are Jamally Stewart (PS) and Wakan Maka Quebec (P) and we recently sold Warenda Namibia after 2 years of good service.

We are passionate about the breed and cull hard for any faults. Within the numbers we have, and the limited amount of country to run them on, the cattle have to possess all the qualities we desire to remain within the stud herd. Composition, temperament, fertility and natural doing ability are of utmost importance.

Tissue Sampling Unit (TSU)

Allflex® Tissue Sampling Units provide a simple but effective means for DNA testing livestock. Collect a clean, uncontaminated sample in seconds with a single squeeze motion, TSU's are easy to use and yield excellent lab results.

TSU's can be paired with a matching NLIS and visual management tag, creating a simple link between the genetics of an animal and its Identification.

For more information, visit allflex.com.au

Welcome to the Get Chopped Pub Greenmount!

Indulge your taste buds with the most delectable pub meals on the Darling Downs, prepared by our brilliant Chef, Jamie Moser! As a privately owned establishment nestled in the heart of Greenmount, we take pride in offering good old-fashioned country hospitality. Fiona and Brendon, your friendly publicans, are proud members of the local community, and they're dedicated to providing a genuine community hub where people can come together and connect.

At Get Chopped Pub Greenmount, we believe in the power of a shared experience. Come and enjoy our warm and inviting atmosphere, where laughter and conversations flow as smoothly as our ice-cold beers. It's the perfect place to unwind after a long day or catch up with friends and neighbors. Our passion for supporting the community shines through in everything we do. We actively collaborate with local organisations, host fundraisers, and foster a sense of togetherness. When you step through our doors, you're not just a customer; you are welcomed into our community.

But let's not forget the star of the show – our food! Chef Jamie Moser works his magic in the kitchen, creating mouthwatering pub meals that will tantalize your taste buds. From juicy burgers to perfectly cooked steaks, each dish is crafted with care and made from the freshest local ingredients. Prepare to be amazed by the explosion of flavors that will leave you craving more!

So, whether you're a local resident looking for a cozy spot to unwind or a traveler seeking an authentic country pub experience, Get Chopped Pub Greenmount is the place to be. Join us and discover the true essence of community, where great food, ice-cold beer, and genuine hospitality await.

You will find us at 1 Pilton Street Greenmount Ph: 0746971400
 "We look forward to making you feel at home"

CHAPTER ONE – PRELIMINARY

1. (a) A vendor is bound by these terms and conditions by offering livestock for sale by auction.
 (b) An agent (which includes an auctioneer) is bound by these terms and conditions by conducting an auction sale.
 (c) A buyer is bound by these terms and conditions by bidding at auction.
2. (a) In these terms the expression auctioneer, agent, buyer and vendor respectively omits the servants, contractors, agents of each of them. The auctioneer, agent, buyer and vendor shall be wholly responsible for the acts and omissions of their respective servants, contractors and agents. The term "auctioneer" includes, so far as the law and context permits, the vendor's agent.
 (b) When used in these terms the expressions "companion animals" means all animals originating from the same property on a particular day. Where lots are split and sent to multiple establishments, then all of these animals shall be regarded as companions.
3. The following applies in interpreting these terms and conditions:
 - (a) The following words have the following meanings:
 Fees means all levies, charges, fees, costs and other expenses incurred or relating to these terms and conditions and the sale and purchase of livestock including, without limitation, transaction levies, yard and weigh dues, cartage, advertising and rebates, and whether paid for, or incurred, by the agent; Livestock means animals auctioned pursuant to these terms and conditions; and Price means the amount at which the lot has been sold to the buyer referred to in clause 7 of these terms and conditions
 - (i) plus any Fees and other expenses incurred in relation to the purchase of livestock that are payable by the buyer; and
 - (ii) plus any GST added in accordance with clause 12.
 - (b) These terms and conditions are subject to legislation or regulation in the State in which the auction is conducted and in the event of any conflict then the legislation or regulation will prevail. The provisions of these terms and conditions are in addition to, and do not derogate from, the duties and rights of vendors, agents and buyers set out in legislation and regulation in the State in which the auction is conducted.

CHAPTER TWO – STANDARD TERMS OF SALE

4. Subject to any reserve price, and to the right, prior to the fall of the hammer, of the vendor to withdraw any lot without declaring the reserve, the highest bidder shall be the buyer.
5. The auctioneer has the right to bid on behalf of the vendor provided that right is notified prior to the commencement of the sale and is subject to State law.
6. A bid cannot be made or accepted after the fall of the hammer unless, in accordance with clause 8, the auctioneer decides to put the lot up again.
7. The last price called by the auctioneer at the fall of the hammer shall be the amount at which the lot has been sold.
8. In the event of a disputed bid, the auctioneer is the sole arbitrator of the successful bidder or the auctioneer may decide to put the lot up again. The auctioneer's decision is final.
9. The auctioneer may refuse to accept any bid which, in the auctioneer's opinion, is not in the best interest of the vendor and need not give reasons for doing so.
10. A bidder shall be deemed to be a principal unless, prior to bidding, the bidder has given to the auctioneer a copy of written authority to bid for or on behalf of another person.
11. The successful bidder at a livestock auction sale must give to the auctioneer at the fall of the hammer:
 - (a) the purchaser's name; or
 - (b) the bid card number which identifies the purchaser; or
 - (c) the name of the person on whose behalf the successful bid was made; and
 - (d) the Property Identification Code (known as the "PIC") of destination.
12. The auction shall be conducted on the basis that the bid price shall be exclusive of Goods and Services Tax (GST). GST shall be added after the fall of the hammer for those sales subject to GST.
13. As soon as practicable after the fall of the hammer, the buyer shall if requested by the agent, sign the agreement for sale.
14. If a buyer does not comply with any of these terms and conditions, which includes the requirements of State law, any livestock knocked down to that buyer may be re-sold by public auction or private contract in whatever lots and manner the auctioneer decides. The re-sale may be with or without notice and shall be at the buyer's risk. The buyer is responsible for all loss and expense arising out of a re-sale and is not entitled to any resulting profit.
15. The buyer of livestock must pay the agent the full amount of the purchase price in immediate funds on receipt of a tax invoice. Payment is required prior to delivery unless some other time for payment is specified in a written agreement between the buyer and the auctioneer that was made before the fall of the hammer. If, before delivery, payment has not been made then clauses 20 to 23 apply.
16. No person may bid unless, prior to the commencement of the sale, that person has made arrangements satisfactory to the auctioneer for payment for livestock purchased. If bids in breach of this condition are inadvertently accepted, delivery shall not be given until the purchase money is paid and any law, rule or practice to the contrary is accordingly negated as far as possible.
17. (a) Cattle sold on a liveweight basis that are weighed pre-sale are at the risk and expense of the buyer upon the fall of the hammer.
 (b) Cattle sold on a liveweight basis that are weighed post-sale are at the risk and expense of the buyer immediately after weighing.
 (c) All livestock other than cattle sold on a liveweight basis are at the risk and expense of the buyer upon the fall of the hammer.
18. (a) Subject to this clause the sale is complete on the fall of the hammer.
 (b) The time for rejection is the time commencing at the fall of the hammer and ending at the first of:
 - (i) delivery is taken by a representative of the buyer;
 - (ii) departure of the animal from the purchaser's delivery pen; or
 - (iii) one hour after the last animal is:
 - a. in the case of pre-sale weighing, sold; or
 - b. in the case of post-sale weighing, weighed.

- (c) During the time for rejection the buyer may reject any animal which is lame, blind or diseased where that condition existed prior to the fall of the hammer but could not be reasonably observed when the animal was in the selling pen.
- (d) If the purchaser rejects an animal during the time for rejection then the sale of that animal is cancelled and the animal is returned to the vendor or sold on such terms as any buyer and the agent may agree, after the agent has disclosed the reason for rejection to that buyer.
- (e) This sub-clause applies only to cattle which are sold in Queensland at auction for slaughter. The agent has responsibility for the prevention of loss or escape (but not death, sickness or injury) of those cattle from the time of the fall of the hammer, through delivery to and from the scales, to the buyer's delivery pen and on to the buyer's nominated transport. This responsibility ends at the earlier of those cattle boarding the buyer's nominated transport or sunset on the day after the sale. This sub-clause does not apply if the agent makes an announcement to that effect prior to sale.
19. (a) Subject to the right of rejection in Clause 18, all conditions and warranties expressed or implied by law are hereby excluded from the sale to the extent that the law allows. All lots are open for inspection prior to the commencement of the sale and are sold with all faults, if any. No compensation shall be given for any faults, imperfections, errors of description, number in or of any lots sold or otherwise.
- (b) Any claim or objection arising out of an error or misdescription in the provision of relevant information in terms of legislation or regulation concerning the National Livestock Identification Scheme (NLIS) must be made by 5:00pm on the seventh day after the fall of the hammer. No objection, requisition or claim against the vendor or agent in respect of such error or misdescription can be made after that time.
- (c) Any statements made by the vendor or the auctioneer whether in writing or orally to the effect that any female has been pregnancy tested or scanned positive shall mean and require only that a certificate in writing shall be supplied to the buyer signed by a qualified veterinary surgeon or certified scanner certifying that the said female has been tested or scanned on the date specified in the certificate and that in the opinion of the surgeon or scanner was pregnant on that date.
- (d) For slaughter cattle, the agent undertakes to make every reasonable effort to ensure that any NLIS cattle device number is transferred from the saleyard PIC to the purchaser's PIC on the NLIS database no later than midnight on the day of the sale.
- (e) For other slaughter livestock the agent undertakes to make every reasonable effort to ensure that the NLIS information is transferred from the saleyard PIC to the purchaser's PIC on the NLIS database no later than midnight on the day of the sale.
- (f) Where livestock have a food safety or market eligibility status derived from the National Vendor Declaration (NVD) and/or the NLIS/ERP database, the agent will inform the buyers by presale catalogue and/or announce the status prior to the offering of those lots.
20. If delivery is made to, or possession obtained by, the buyer or its representative before full payment of the Price, then until full payment is received, the buyer:
- (a) does not acquire title to the livestock;
- (b) holds the livestock as bailee only for the vendor;
- (c) must act in a fiduciary capacity in its relationship with the vendor;
- (d) must store the stock separately or so that they are readily distinguishable from other livestock owned by the buyer;
- (e) is responsible for the safety and well being of the livestock;
- (f) may make a bona fide sale for market value of any or all of the livestock. As between the buyer and the subsequent buyer, the sale shall be made by the buyer in its own name and not as agent for the vendor, however as between the vendor and buyer, the sale shall be made as bailee and agent for the vendor; and
- (g) must keep and account for the proceeds of any subsequent sale separately from its other money and hold those proceeds, together with the benefits of any rights against subsequent buyers, on trust for the vendor.
21. In addition to clause 20, if payment is not made according to clause 15, but delivery has been made to, or possession obtained by, the buyer or its representative:
- (a) The vendor or its agent may repossess and resell the livestock and enter property owned or occupied by the buyer or its representative if necessary to do so; and
- (b) Interest may be charged at the rate usually charged by the agent for overdue accounts on any amounts which remain owing at any time.
22. The buyer may not make any claim against the vendor for actions by the vendor or its agent under clauses 20 or 21 and indemnifies the vendor and its agent against any loss, damage, costs, expenses, penalties, fines or claims suffered by the vendor, the agent or any person or entity arising from the vendor exercising its rights under clauses 20 or 21.
- 23.1. Clause 23 applies whenever the agent pays the vendor before being paid by the buyer, which the agent is not bound to do. The agent is then the del credere agent of the vendor at law.
- 23.2. The vendor hereby gives notice to the buyer of the assignments referred to in clause 23.3.
- 23.3. When this clause applies, in addition to any rights of the agent that arise by operation of the law, the parties agree that, subject to clause 23.6 the agent is subrogated to all rights of the vendor under these terms and conditions against the buyer.
- 23.4. Title to the livestock does not pass to the agent or a nominee of the agent unless the agent, by written notice to the vendor, notifies the vendor that it is to be transferred to the agent or a nominee of the agent.
- 23.5. The vendor acknowledges that the agent may take enforcement, repossession or other action to recover any livestock for which the buyer has not paid in full, or the Price of such livestock, owing by the buyer under these terms and conditions:
- (a) when this clause does not apply, as agent of the vendor (including by reselling the livestock); and
- (b) when this clause applies, on the agent's own behalf exercising the rights of the vendor by subrogation or assignment under these terms and conditions (whether in the vendor's name or not) and, where title to the livestock has not passed to the agent, by selling the livestock as agent of the vendor without the agent having to account to the vendor for the proceeds of sale.
- 23.6. The agent may at any time, assign, transfer, securitise or otherwise dispose of all or any of its rights under these terms and conditions and any debts created pursuant to it (including, without limitation, the rights assigned to it under clause 23.3).
- 23.7. The vendor hereby irrevocably appoints the agent as the vendor's attorney to:

- (a) do at any time and in any manner as the agent thinks fit all acts necessary or desirable to perfect or improve the rights and interests afforded, or intended to be afforded, to the agent under these terms and conditions; and
- (b) appoint one or more sub-attorneys to do anything that the agent may do as the vendor's attorney.
- 23.8. These terms and conditions do not render the agent liable to the buyer as vendor nor entitle the buyer to set off against the agent any right the buyer may have against the vendor or otherwise.
- 23.9. The buyer acknowledges that the provisions of this clause 23 are intended solely for the benefit of the agent (and its assigns) and the vendor. The liabilities and obligations of the buyer will not be in any way affected:
- (a) by this clause 23, other than as it expressly provides; or
- (b) by the failure of the agent or the vendor or either of them to comply with the terms of this clause 23.
- 23.10. The buyer must pay all amounts payable to the vendor or the agent under these terms and conditions without any deduction, withholding, set off or counterclaim whatsoever, whether the benefit of a deduction, withholding, set off or counterclaim is alleged to exist in favour of the buyer as against the vendor or the agent in any capacity whatsoever or any other person including any assignor of the vendor's or the buyer's interests under these terms and conditions.
24. (a) The agent agrees that he is liable to pay to the vendor the Price, less such commission as is agreed between the vendor and the agent, and in the absence of any agreement such amount as is reasonable, and less the Fees that are payable by the vendor that were incurred by the agent on behalf of the vendor in relation to the sale of the livestock.
- (b) In the event that the buyer pays the Price or part of it direct to the vendor then the agent has no liability to the vendor for the amount of such payment. Further, if the agent pays the vendor any amount which the buyer also pays direct to the vendor in respect of the same livestock, then the vendor must repay the agent that amount and the agent may debit that amount to an account held in the name of the vendor by the agent.
- (c) Regardless of whether or not a sale has occurred the agent may, but is not under obligation so to do, instead of deducting payments owed to it by the vendor, debit the amount of the commission and fees to an account held in the name of the vendor by the agent.
25. (a) The auctioneer has been retained by the vendor as auctioneer for the purpose of selling the livestock comprised in the lots. The terms of engagement between the auctioneer and the vendor do not extend to the provision of advice by the auctioneer to the vendor in relation to the safety or otherwise of the sale ring, the saleyards and the surrounding environments.
- (b) The vendor, the agent and the buyer agree to comply with their several duties under the Australian Animal Welfare Standards and Guidelines for the Land Transport of Livestock and further to consign, manage, receive, transport and handle livestock in accordance with any other or additional requirements of animal welfare legislation specific to the jurisdiction in which livestock are consigned, managed, received, transported and handled in the course of the auction process.

CHAPTER THREE – VENDOR WARRANTY FOR CORRECT PRESENTATION AND DECLARATION

26. This chapter applies only in the case of livestock and their companion animals sold at auction for slaughter when the buyer is the slaughterer and the livestock are transported direct from the sale yard to the meatworks at which they are slaughtered. This chapter does not apply if the buyer is a trader who subsequently resells the livestock to a slaughterer. A slaughterer is any person who pays the AMPC Processor levy.
27. The warranty of a vendor is that livestock and their companion animals offered for sale at auction:
- (a) pass DAFF and other regulatory authority requirements and inspections at the time of slaughter; (DAFF refers to the Federal Government Department of Agriculture, Fisheries and Forestry)
- (b) are of merchantable quality;
- (c) carry an NLIS device in accordance with State law;
- (d) in the case where a representation has been made in the pre-sale catalogue that the livestock have particular characteristics or are fit for a particular purpose or market, and such representations are based on information in the NVD, the livestock will have those characteristics or will be fit for the particular purpose or market; and
- (e) all information in any NVD provided by the vendor is true, complete and correct in all material respects.
28. In the event of a breach by the vendor of the vendor's warranty and provided such breach is notified by the buyer to the agent by 5:00pm on the 7th day after the fall of the hammer then the buyer is not liable to pay the portion of the Price of such of the vendor's livestock to which the breach applies.
29. However if the breach by the vendor is such that the livestock are not rejected outright but are instead downgraded then the buyer will pay the value of the livestock at their next highest and best use.
30. In the case of a breach by the vendor of the vendor's warranty then the vendor will also be liable to the buyer for any further losses which the buyer might establish but the buyer will take all reasonable steps in co-operation with the agent and vendor to mitigate both the effect of the breach and the amount of any loss.
31. Where a sentinel animal of a lot tests positive for chemical residue, or foreign material contamination and provided such test is certified and notified as required by these vendor warranty terms, then:
- (a) the buyer will be entitled to delay payment for the price of all livestock in that lot only; or
- (b) the vendor has the option, at the vendor's cost, of collecting the companion animals, if allowed by law; or of having the livestock slaughtered in which event the risk of further condemnations will be that of the vendor. Where product integrity is potentially jeopardised, the Processor has the right to refuse slaughter and send the livestock back to the consigning property at the vendor's cost.
32. The auctioneer is liable to the buyer in respect of any breach of the vendor's warranty arising out of:
- (a) any error, by the auctioneer, of transcription of information from the NVD completed by the vendor to the pre-sale catalogue or the buyers post-sale summary;
- (b) any failure by the auctioneer to notify the buyer, prior to bidding, of any breach by the vendor of the warranty of the vendor if the buyer establishes that the agent knew of such breach prior to the sale; and

(c) any failure by the auctioneer to announce prior to bidding, or disclose in the pre-sale catalogue, that the vendor has failed to provide a NVD that is complete in all material aspects.

CHAPTER FOUR – OWNERS RISK FOR CONDITION OF CATTLE

- 33. This chapter applies only in the case of cattle and their companion animals sold at auction for slaughter when the buyer is the slaughterer and the cattle are transported direct from the sale yard to the meatworks at which they are slaughtered. This chapter does not apply if the buyer is a trader who subsequently resells cattle to a slaughterer. A slaughterer is any person who pays the AMPC Processor levy.
- 34. Owners risk reflects the producer’s responsibility to provide slaughter cattle for sale that are fit for human consumption. Cattle are fit for human consumption if they are not condemned as unfit by DAFF. Owners risk applies if the condemnation is due to a condition in the animal which the buyer establishes, by the DAFF certificate, existed prior to the fall of the hammer.
- 35. A buyer with the benefit of owners risk protection is not liable to pay the Price of that animal to the vendor. The buyer remains nevertheless liable for all costs incurred after the fall of the hammer in transport, slaughter, testing and disposal of the animal.
- 36. Owners risk protection is available to the buyer of cattle to which this chapter applies if all of the following are satisfied:
 - (a) a certificate is issued by DAFF which states the relevant NLIS RFID tag number and PIC, the date of the certificate, the reason for condemnation and that the reason for condemnation existed prior to the fall of the hammer;
 - (b) the certificate is received by the selling agent either in its original form or by fax by 5:00pm on the 7th day after the fall of the hammer; and
 - (c) if the condemnation is due to chemical residue the certificate follows testing in a DAFF approved laboratory which establishes maximum residue limits in excess of the Australian limit.
- 37. Owners risk does not apply, and the buyer must pay for the cattle, if the reason for condemnation is any of the following:
 - (a) bruising,
 - (b) fever,
 - (c) partial condemnation, or
 - (d) emaciation.

CHAPTER FIVE – NOTICES REQUIRED BY STATE LEGISLATION

NSW Legislation

Property, Stock and Business Agents Act 2002 Warnings

Penalties for collusive practices. It is an offence against the Property, Stock and Business Agents Act 2002 for a person to do any of the following as a result of a collusive practice, or to induce or attempt to induce another person by a collusive practice to do any of the following:

- (i) to abstain from bidding; or
- (ii) to bid to a limited extent only; or
- (iii) to do any other act that might prevent free and open competition.

Severe penalties may be imposed on persons convicted of collusive practices.

The auctioneer has the right to make one bid on behalf of the vendor if the auctioneer clearly and precisely announces that fact prior to the sale.

Tasmanian Legislation

An auctioneer conducting a public auction must not appear to acknowledge the making of a bid if no bid was made. A person must not participate in collusive practices by way of making or receiving an unlawful promise to abstain from bidding, not to bid except to a limited extent or do any other thing which may prevent free and open competition.

Western Australian Legislation

Auction Sales Act 1973 s31 NOTICE. It is an offence to:

- (i) induce or attempt to induce another person to abstain from bidding by means of a promise, expressed or implied, that the other person will have the right to elect to take over as buyer or to toss or draw lots to establish who is to become the owner;
- (ii) abstain or agree to abstain from bidding as a result of such a promise;
- (iii) knowingly enter or permit or cause to be entered in the auctioneer’s record any name other than that of the actual successful bidder;
- (iv) enter in the auctioneer’s record the name of the buyer other than that of the actual successful bidder; or
- (v) in the case of successful bidder supply wrong information as to the name of the buyer to the auctioneer or to any person, firm or corporation on whose behalf the sale is conducted.

The vendor, or any person on behalf of the vendor, or the auctioneer have the right to make no more than three bids.
